Microsoft Office 2013 Introductory 1st Edition Free:

What's New In Microsoft Office 2013 AMC College, This manual will show you what are the new tools and functions are available in the new version of the entire MS Office 2013 It allows you to pick up quickly those refined functions as well as new uses of the entire applications Handbook on Teaching Social Issues Ronald W. Evans, 2021-07-15 This Handbook

guides teachers in addressing social issues with a focus on social justice It emphasizes issues centered social studies encouraging in depth investigation of persistent social issues to enhance social understanding and active participation

Contributors include leading experts in social studies education **Benefits Realization Management** Carlos Eduardo

Martins Serra, 2016-10-14 Benefits realization management BRM is a key part of governance because it supports the strategic creation of value and provides the correct level of prioritization and executive support to the correct initiatives Because of its relevance to the governance process BRM has a strong influence over project success and is a link between strategic planning and strategy execution This book guides portfolio program and project managers through the process of benefits realization management so they can maximize business value It discusses why and how programs and projects are expected to enable value creation and it explains the role of BRM in value creation The book provides a flexible framework for Translating business strategy drivers into expected benefits and explains the subsequent composition of a program and project portfolio that can realize expected benefits Planning the benefits realization expected from programs and projects and then making it happen Keeping programs and projects on track Reviewing and evaluating the benefits achieved or expected against the original baselines and the current expectations To help project program and portfolio managers on their BRM journey as well as to support business managers in executing business strategies the book identifies key organizational responsibilities and roles involved in BRM practices and it provides a simple reference that can be mapped against any organizational structure A detailed and comprehensive case study illustrates each phase of the BRM framework as it links business strategy to project work benefits and business value Each chapter ends with a series questions that provide a BRM self assessment The book concludes with a set of templates and detailed instructions to ensure successful deployment of BRM
