Heritage Sports Auction Signature Catalog #705 Ivy Press, 2006-09 **Guns and College Homicide** Stephen K. Boss, 2019-01-10 At a time when mass shootings in schools and other public spaces have become commonplace it might seem surprising that American college campuses are not magnets for murderers but sanctuaries from them Because of remarkably effective gun safe policies deaths by firearms on college campuses are 1 000 times less frequent than in the U S public at large Drawing on crime data submitted in compliance with the Clery Act and public reports of those crimes this study inventories every documented homicide at a U S college or university between 2001 and 2016 making a compelling argument for using gun safe campuses as guides for broader public safety Sports in African American Life Drew D. Brown, 2020-02-07 African Americans have made substantial contributions to the sporting world and vice versa This wide ranging collection of new essays explores the inextricable ties between sports and African American life and culture Contributors critically address important topics such as the historical context of African American participation in major U S sports social justice and responsibility gender and identity and media and art **The University correspondent and University correspondence college magazine (and The Educational review)**. , 1891 *College Athletes' Rights and Well-Being* Eddie Comeaux, 2017-11 College Athletes Rights and Well Being covers major policy issues in collegiate sports and seeks to address the issue of college athletics from the perspective of the athlete s well being It is written for those who seek to enhance their understanding of the intercollegiate athletics landscape This textbook is intended for upper level undergraduate and graduate students though scholars teachers practitioners athletic administrators and advocates of intercollegiate athletics will also find it essential The book is arranged into 16 individual chapters that cover a range of topics on college athletes rights and well being It is not exhaustive but the editor believes that current concerns challenges and themes of relevance to higher education researchers and practitioners will certainly be well addressed Provided by publisher
