*in Football* Christos Kassimeris,2021-05-17 While football does not generate discriminatory behaviour it often replicates the

very same social issues that concern any given society Evidently football has witnessed an alarming increase in the number

of disturbing incidents on the grounds of racism ethnocentrism sectarianism homophobia and sexism Given the variety of

forms that discrimination can take it is imperative that football addresses with effect all such anti social phenomena in order

to continue to promote notions pertaining to social inclusion equality and cultural diversity all central to the game s

philosophy and overall popularity Assessing the nature and causes of discrimination in football is key to identifying the much

needed remedies but also because discrimination poses a serious challenge to long established practices deeply rooted in

democracy Discrimination in Football provides a comprehensive and in depth investigation into these key issues affecting

football today This new book will appeal to academics and students with an interest in social science law sport and
