Nike Tricks Returns:

Journey To Centricity Ilenia Vidili, 2021-11-23 Managers and leaders know that customer centricity means providing positive customer experiences. But what if that's not enough? In the current age where Millennials and Generation Z are shaping the very fabric of society and business to remain relevant, organisations must provide more than occasional good experiences. A narrow focus on short termism, excessive tech automation and outdated product mentalities are a liability to customer centricity. We need businesses that are willing to radically change, embrace a long term customer focussed perspective and are able to create value for all stakeholders. In 'Journey to Centricity', Ilenia Vidili instils a customer oriented vision from the C suite beyond to transform your day to day operations and culture through three pillars: Humanity, Make your brand more human by embracing a higher purpose, an empathetic human touch and sustainable corporate responsibility. Technology: Apply the necessary tools as enablers to ease of use, hyper personalisation and innovation to improve your customers' lives. Culture: Invest effort in changing old style mindsets that improve your culture and fortify your brand to create a place where employees feel motivated, valued and appreciated. Drawing on B2C practical advice from Ilenia's first hand interviews with leaders of world class organisations such as illycaffè, Enel, Polestar, Forrester and Bain Co, this book lays out a customer centric framework for thriving in the new era of stakeholder capitalism. Receive a powerful call to action to combat old paradigms, improve customer focus, create value for all stakeholders and contribute to a sustainable business world. There has never been a more critical time for change. Transform your mission into a journey to centricity.

Return of the Gold Dan Bickley, 2009-10-01 Six years after Michael Jordan won his last NBA championship, American basketball hit rock bottom. The perception of NBA players reached an all time low. With great historical sweep, bringing in the voices of all time greats like Jordan, Bill Russell, Julius Erving and Jerry West, the book will show how American basketball bottomed out. It will chart the path of Jerry Colangelo, a great sportsman who set out to change the stained image of USA Basketball. And with great insight and fresh detail, it will show how two of the
