Once In A Blue Year:

Once in a Blue Moon Emily Hawkins, 2025-09-04 What's behind the eerie St Elmo's Fire phenomenon? What was the mysterious explosion that tore through a Siberian forest in the early 1900s? And can fish and frogs really rain from the sky? Travel around the globe and even into space with this dazzling natural history book discovering the stories of nature's rarest events and best kept secrets. From strange marvels of the night sky to the world's weirdest weather events, from the most peculiar plants to rare and elusive animals, this book gathers together a jaw-dropping collection of natural wonders. Eclipses, ball lightning, pizzly bears, each stunningly illustrated spread explores a different phenomenon, including those that have baffled scientists through the centuries. Presented in five chapters: Amazing Space, Peculiar Plants, Unusual Animals, Weird Weather, and Unique Wild Places, this is a celebration of nature at its quirkiest and most wonderful. Written by best-selling author Emily Hawkins and brought to life in glorious detail by illustrator Vlad Stankovic, this spectacular collection is the perfect title to gift, share, and treasure for years to come.

Once in a Blue Moon Shot John F. Evans, 2001-10-30 One by one prostitutes are being murdered in the city of Mount Lebanon, Pennsylvania. With every attack, the killer's vicious and sadistic nature becomes more obvious, as does his disdain for the local police force. As the pressure mounts to solve the murders, two unseasoned officers become entangled in the case and begin to uncover lies and evidence that lead back to their own department.

Once in a Blue Moon Steve Worthington, 2011-08-31 Once in a Blue Moon is the story of one man's never-ending affair with Manchester City. Be it playing, watching, or managing, Steve Worthy Worthington's life in football has never been easy. Having suffered an almost fatal road accident in the week before his ninth birthday, any aspirations for global stardom as a player were crushed beneath the wheels of a speeding Triumph Spitfire in 1971. As a spectator, he fared no better. Over the years, Manchester City and England addicts have experienced many disappointments, most of which he was there to see. As manager of his beloved Sunday League club, Lee Athletic, success was a word used only on the odd occasion when he persuaded his team to turn up sober and in time for kick-off. But two things that have always kept him going were his love of the local indie music scene and an ability to find humour during the darkest of times. Join him on a vivid journey that takes you into the beating heart of 1960s and 70s working-class Manchester through five decades of football and a bit of cricket, music, and people in the eyes and ears of an everyday bloke who turned constant failure into final triumph.
