[Love & Literacy](#) Paul Bambrick-Santoyo, Stephen Chiger, 2021-05-18 When our students enter middle and high school the saying goes that they stop learning to read and start reading to learn. Then why is literacy still a struggle for so many of our students? The reality is that elementary school isn't designed to prepare students for *Othello* and *Song of Solomon* so what do we do? Love and Literacy steps into the classrooms of extraordinary teachers who have guided students to the highest levels of literacy. There is magic in their teaching but that magic is replicable. It starts with a simple premise: kids fall in love with texts when they understand them and that understanding comes from the right knowledge and/or the right strategy at the right time. Love and Literacy dissects the moves of successful teachers and schools and leaves you with the tools to make these your own. Research based best practices in facilitating discourse building curriculum guiding student comprehension and analysis creating a class culture where literacy thrives and more. Video clips of middle and high school teachers implementing these practices. An online print ready Reading and Writing Handbook that places every tool at your fingertips to implement effectively. Discussion questions for your own professional learning or book study group. Great reading is more than just liking books; it's having the knowledge, skill, and desire to experience any text in all its fullness. Love and Literacy guides you to create environments where students can build the will and wherewithal to truly fall in love with literacy.

**Literature for Young Adults** Joan L. Knickerbocker, 2017-03-15 Young adults are actively looking for anything that connects them with the changes happening in their lives and the books discussed throughout. Literature for Young Adults have the potential to make that connection and motivate them to read. It explores a great variety of works, genres, and formats but it places special emphasis on contemporary works whose nontraditional themes, protagonists, and literary conventions make them well suited to young adult readers. It

also looks at the ways in which contemporary readers access and share the works they're reading and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs. In addition to traditional genre chapters, Literature for Young Adults includes chapters on literary nonfiction, poetry, short stories, and drama, cover art, picture books, illustrated literature, and graphic novels and film. It recognizes that while films can be used to complement print literature, they are also a literacy format in their own right and one that young adults are particularly familiar and comfortable with. The book's discussion of literary language, including traditional elements as well as metafictive terms, enables readers to share in a literary conversation with their students and others when communicating about books. It will help readers teach young adults the language they need to articulate their responses to the books they are reading.

*Summer's Gold* Carrie Whitfield, 2006-07 Joshua walked to the front of the room and stood behind the podium. From deep within he heard these words: I have received a marvelous gift. This gift cost its bearer his life. It is a gift of love, of hope, of redemption for all who enter into it. I will build a church that all may know and receive the great gift of God. On his deathbed, an evangelist bequeaths his vision of a church and the gift of gold to build it to a fortuitous young man, Joshua Summer, but with a binding promise. *Summer's Gold* And Its Redemptive Ooze follows Summer's arduous quest to fulfill this vision through the challenges and triumphs of living in the American South during the 1890s. Halfheartedly accepting the responsibility of his quest, Summer clashes with local law enforcement, is pursued by Federal agents, and encounters the K group, a racist faction similar to the Ku Klux Klan. But it is only when he experiences soul wrenching changes and emerges as a confident, mature man that he becomes a true believer, a man ready to build his church. After overcoming racial prejudice, Summer unites the whole county through the power of God's transformative love, providing a healing balm to this hate-filled community.

*Teachers & Writers*, 1999 *Crazy Love* Desirée Day, 2005-09-20 From a bright new voice in African American women's fiction comes a sexy, scandalous, and scintillating novel set in steamy Atlanta. Stacie Long thinks she's God's gift to men and she keeps a list of qualities that ride freak in bed that she's looking for in an ideal mate. But behind all her confidence, she's got a secret one that even her best friend doesn't know about one that may just keep her forever searching for her perfect man. Tameeka Johnson is a successful businesswoman who owns one of Atlanta's top wellness shops. But even with business booming, success in her bedroom is at an all-time low. Then when she meets her black prince, a loving man who promises to treat her like gold, her insecurities about her sizeable body may just keep her from living the dream. Stacie and Tameeka are super tight, but their friendship is tested by sexy NBA players, baby mama drama, and temptations like they've never known before. Because if there's one thing these girls like better than each other, it's men.
