Washington,2025-03-28 Now more than ever we need to develop an intimate walk with God We need to be connected to Him The Word declares that we must worship the Lord in spirit and truth So how do we walk intimately with God The answer is by being led by the Holy Spirit Jesus left the Holy Spirit to lead us into all truths to give us counsel and guidance in our walk with God and to search out the deeper things of God We need to be led by the Spirit of God to discern the voice of God Walking in the spirit will transform us into the very image of God It is time to walk in the spirit and not in the flesh Let the Spirit of God lead you not the lust of the flesh because those who are led by the Spirit are called sons of God **HelpFinder Bible NLT** Tyndale,2018-10-23 The HelpFinder Bible makes it easy for anyone whether familiar with Scripture or not to find

RELIGIOUS SYNCRETISM IN AFRICAN CHRISTIANITY ISAIAH OLUWAJEMIRIYE OLATOYAN, 2024-04-18 Christianity among the African people whether on the soil of Africa or in diaspora is perceived and defined differently by different people For instance among African traditional religious people and Muslims Christianity is a foreign religion that must not be allowed to thrive in Africa To several Africans who profess Jesus Christianity is good but it is not adequate and effective enough to handle all human needs Still among some Western Christians and missionaries African Christianity is superficial and lacks total commitment to Christ Of course the Africans are a cultural people with profound religious inclinations Their traditional religion ATR has tremendously shaped their worldviews and socioeconomic and political activities Consequently when traditional Africans are converted to Christianity they do not break ties with their traditional religions completely The examination of relevant biblical texts on syncretism however reveals that God condemns the worship of many gods and places a curse on anyone who offers sacrifices to carved images and bows to them in worship Therefore this work investigates the root cause of religious syncretism among African people In the attempt to find answers to why the average African Christian finds it difficult if not impossible to abandon his/her traditional religious belief systems completely to embrace Christianity the author concludes that unless the issues surrounding the African forgotten and secret covenants are exposed and decisively addressed in the light of biblical teaching syncretism will continue to be a stigma on the fabric of African Christianity Therefore to overcome the threats of syncretism in African Christianity there is a need to

establish a sound theological and missiological framework that can address the problems associated with the African worldviews and belief systems This task must be carried out under the searchlight of Scriptures *Graduated lessons on the Pentateuch* William Taylor (of Battersea training coll.),1887 *Dictionary of Anecdote, Incident, Illustrative Fact* Walter Baxendale,1888 The grace of charity, and other sermons, ed. by K.
