M. Chase,2006-12 The novel *Infernal* an ultimate experience of terror is the story of Glenn Jacob and Susan among other characters that encounter evil There are others like Glenn in the story that search to be freed from the nightmare in which they find themselves Each is weighed down differently by personal demons or so it seems to be that way that make them vulnerable to being tortured by the horrifying reality of what evil is This terrifying yet captivating novel will appeal to the fans of classical horror People will be drawn to the style and story of this novel because of the resemblance it has to those classics they have read and hungered for in the past *Infernal* is a novel that develops deep into demonic oppression The characters such as Glenn who occurs mostly throughout the story suffer through horrifying shifts of reality They fear for their sanity They seek help but are thrown into chasm between medical science and religious tradition As you read on the story gives you a feeling of coldness dreadfulness loneliness confusion and hopefulness almost like an emotional roller coaster When things seem to get normal they turn dark violent and frightening The characters are so exposed that they are tortured by the demons They look for an answer that modern medicine does not have The explanations all come down to science contradicting religion Join in exploring the minds of these characters as we encounter their nightmares *Fates' Rapture* J.
