## **One Country A Bold Proposal To End The Israeli Palestinian Impasse:**

**One Country** Ali Abunimah,2007-08-21 A provocative approach to the Israeli Palestinian conflict one state for two peoples that is sure to touch nerves on all sides The Israeli Palestinian war has been called the world s most intractable conflict It is by now a commonplace that the only way to end the violence is to divide the territory in two and all efforts at a resolution have come down to haggling over who gets what Will Israel hand over 90 percent of the West Bank or only 60 percent Will a Palestinian state include any part of Jerusalem Clear eyed sharply reasoned and compassionate One Country proposes a radical alternative to revive an old and neglected idea of one state shared by two peoples Ali Abunimah shows how the two are by now so intertwined geographically and economically that separation cannot lead to the security Israelis need or the rights Palestinians must have He reveals the bankruptcy of the two state approach takes on the objections and taboos that stand in the way of a binational solution and demonstrates that sharing the territory will bring benefits for all The absence of other workable options has only lead to ever greater extremism it is time Abunimah suggests for Palestinians and Israelis to imagine a different future and a different relationship

## **Understanding Israel/Palestine**

Eve Spangler,2015-06-28 The Israeli Palestinian conflict is the longest ongoing hot and cold war of the 20th and 21st centuries It has produced more refugees than any current conflict generating fully one quarter of all refugees worldwide Everyone knows that the Palestinian Israeli conflict is important itself and is also fueling tensions throughout the Middle East Yet most people shy away from this conflict claiming it is just too complicated to understand This book is written for people who want a point of entry into the conversation It offers both a historic and analytic framework Readers whether acting as students parishioners neighbors voters or dinner guests will find in these pages an analysis of the most commonly heard Israeli positions and a succinct

account of the Palestinian voices we seldom hear I argue that human rights standards have never been used as the basis on which the Israeli Palestinian conflict should be resolved and that only these standards can produce a just and sustainable resolution This book will be useful for classes in Middle East studies peace and conflict studies Middle East history sociology of race and political science It can be helpful for church groups labor groups or other grass roots organizations committed to social justice and for all readers who wish to be informed about this important topic Professor Spangler's quest for historical and political understanding takes us on a brave and intimate journey into the consequences of Jewish privilege and Jewish victimhood the agendas of imperial superpowers and the Palestinian struggle for self determination Alice Rothchild MD author of Broken Promises Broken Dreams Stories of Jewish and Palestinian Trauma and Resilience and producer and director of documentary film Voices Across the Divide A sharp poignant well documented dossier that provides readers with all the most needed facts to grasp the conflict and get involved Sam Bahour co editor of Homeland Oral Histories of Palestine and Palestinians and business development consultant and activist based in Palestine This one is exceptional It recounts a historical tale it provides theoretical underpinnings it does comparative work it examines all the details and aspects of ongoing debates and it brings all to life with real life stories the wonder of this book is its insistence on hope not a naive idealistic hope but one accompanied by a tool box for concrete action that might right the wrongs of this tragic tale Anat Biletzki Professor of Philosophy Tel Aviv University and Albert Schweitzer Professor of Philosophy Quinnipiac University Chairperson of B Tselem 2001 2006 Eve Spangler is a sociologist and a human and civil rights activist For the last decade her work has focused on the Israel Palestine conflict she argues that human rights are the neglected standards that could lead to a just and sustainable solution *Princeton Alumni Weekly*, 2006 **Mapping Exile and Return** Alain Epp Weaver, 2014

One of the most persistent if vexing issues facing not just theology but also political theory sociology and other disciplines is the ongoing Palestinian Israeli conflict For theology the problem is especially nettlesome on account of the church's shared history and tradition with Israel Palestinians including Palestinian Christians bear the brunt of suffering and dispossession in the current situation yet are burdened even more by Christian political appropriation of Zionism Through an analysis of Palestinian refugee mapping practices for returning to their homeland Alain Epp Weaver takes up the troubled issue of Palestinian dispossession and argues against the political theology embedded in Zionist cartographic practices that refuse and seek to eliminate evidence of co existence Instead Alain Epp Weaver offers a political theology of redrawing the territory compatible with a bi national vision for a shared Palestinian Israeli future **The Israeli-Palestinian Conflict** Raja Halwani, Tomis Kapitan, 2008-01-15 This book addresses the ongoing conflict among Israeli Jews and Palestinian Arabs from a philosophical perspective The authors argue that by ignoring justice and failing to address violations of rights including the rights of Palestinians and Israelis for self determination in historic Palestine the rights of Palestinian refugees for repatriation and the rights of both Palestinians and Israelis to live securely and freely then a lasting solution to the conflict will remain

elusive    **After Zionism** Antony Loewenstein,Ahmed Moor,2024-01-18 Nothing will change until we are capable of imagining a radically different future Naomi Klein After Zionism brings together some of the world's leading thinkers on the Middle East question. In thought provoking essays the contributors dissect the century long conflict between Zionism and the Palestinians and explore possible forms of a one state solution in the most conflicted part of the world. Time has run out for the two state solution because of the unending and permanent Israeli colonisation of Palestinian land. The Hamas attacks of 7 October 2023 and Israel's subsequent devastation of Gaza have given renewed urgency to the discussion of how to move towards a future that honours the rights of all who live in Palestine and Israel. This timely edition includes a new preface as well as challenging and insightful essays by Omar Barghouti Jonathan Cook Joseph Dana Jeremiah Haber Jeff Halper Ghada Karmi Saree Makdisi John Mearsheimer Ilan Pappe Sara Roy and Phil Weiss    2008, 《Journal of Palestine Studies》,2007    Israel, Palestine and Terror Stephen Law,2008-08-08 An extraordinary collection of essays on a hugely topical subject from a team of leading philosophers from around the world    Other Voices from the Middle East Clipboard,2009    One State, Two States Benny Morris,2009 With the same commitment to objectivity that has characterized his approach historian Morris turns his attention to the complicated and acrimonious relationship that exists between Palestine and Israel    Disappearing Palestine Jonathan Cook,2008-09 Human rights    New Left Review,2007    **Mission with the Marginalized** Samuel W. Meshack,2007 Prasanna Kumari 1950 2006 Indian feminist theologian contributed articles    The Book Review Digest,2006    The Nation,2009    Extra!,2006    《The Battle for Justice in Palestine》 2012, 《The Battle for Justice in Palestine》 2014-03-03 A major proponent of Palestinian liberation offers a comprehensive analysis of the current conflict with Israel and the potential for Palestinian victory. As the longstanding tensions between Israel and Palestine continue to erupt into violence Ali Abunimah offers astute insights into the politics behind the headlines. In The Battle for Justice in Palestine Abunimah looks at the shifting tides of Palestine and the Israelis in a neoliberal world and makes a compelling and surprising case for why the Palestine solidarity movement just might win. Abunimah is a Palestinian American journalist and major proponent of a one state solution with equality for all. In The Battle for Justice in Palestine he shares his hopeful vision of victory against Israeli apartheid and colonialism. This is the book to read to understand the present bizarre and ongoing complexity of the Palestine Israel tragedy. Alice Walker
