also embedded with the promise of future provision for you In *Find Your Miracle* New York Times best selling authors Kerry and Chris Shook take a fresh look at nine of Jesus's most incredible times of healing and supernatural intervention The Shooks unpack these moments in modern language to usher you into the pain desperation breakthrough and miracle of each encounter Plus they reveal a miracle map that connects that moment long ago to our needs today for revelation transformation and restoration Weaving together the biblical narrative with contemporary real life application Kerry and Chris Shook arrange these New Testament miracles under four overarching descriptions of Jesus the Miracle Worker the Healer the Provider the Storm Chaser and the Life Giver Rather than running from our overwhelming situations the Shooks encourage us to remain steady fully trusting that Jesus stands ready to guide us to the miracle we most need and possibly least expect

Be the Message Kerry Shook, Chris Shook, 2014-09-09 Maybe you're troubled by the disconnect between the words you speak and the life you live Maybe you'd like to see your faith become more active and life changing in the world around you Pastor Kerry and Chris Shook felt that way Even though their calling involved preaching and teaching they became weary of sermons and words They felt a gap between what they were saying and the needs of people around them They decided to do something about it *Be the Message* is their story of waking up to the gospel not just a gospel of words and sermons but the gospel of intention and action and people They discovered a profound secret You Are the Gospel As they explored the deeper truths of scripture the verse the word of God lives in you came alive Digging deeper they discovered that the gospel message is really about life message your life lived out God's call to you is simple *Be the Message* *Be the Message* opens up a new world of understanding about what God calls you to As the Shooks learned the gospel is not about what you say It's about who you are and what you do and how you can be God's hands and feet in the world What would happen if we talked about God less and walked with God more *Be the Message* reminds us that Christianity was meant to be a faith of action not a faith of words Yet often we sacrifice doing something for the sake of talking about it When we actually act out on our faith we find our faith grows even more You can do more than nothing People's lives are changed when you allow your life to be the gospel to the world Living out the gospel in the world today is both simple and costly The Shooks explore that paradox through biblical stories and their own experience of making a decision to live out the gospel in practical ways Choosing to be the gospel changed their family church and personal relationships with God How can it change your life
