One Realm Beyond Realm Walkers:

One Realm Beyond Donita K. Paul, 2014-01-28 Cantor D Ahma waited his whole life for this day Born with a gift to jump between worlds the young realm walker is finally ready to leave his elderly mentor and accept his role as protector and defender of the realms But mere hours after he steps through his first portal Cantor discovers that his job will be more dangerous and difficult than he ever imagined The realms are plagued with crime and cruelty and even members of the once noble Realm Walkers Guild can no longer be trusted To make matters worse his first assignment finding a dragon to assist him on his quest has led him to Bridger who is clearly inept and won't leave him alone With the help of his new friends Bixby and Dukmee Cantor must uncover the secrets of the corrupt guild before they become too powerful to be stopped But his skills aren't progressing as fast as he would like and as he finds himself deeper and deeper in the guild's layers of deceit Cantor struggles to determine where his true allegiance lies

One Realm Beyond Donita K. Paul, 2014 As a realm walker young Cantor D Ahma has the ability to cross between worlds in the service of the good and the right and with his Mor Dragon and best friends Bixby and Dukmee he sets out to determine just what those good things are as they learn that nothing is quite what it seems

Our Day, 1900 **From Realms Beyond** Leo Brett, Lionel Fanthorpe, Patricia Fanthorpe, 2015-12-17 Nadia was a girl who had everything except real happiness She was tired of trying to buy it and she had just about matured to the point where she knew that nothing was to be gained by deliberately hunting happiness She saw the strange Asian in a Paris street market His inscrutable features were dominated by a pair of mysterious eyes He was incredible old Without knowing why Nadia purchased a curiously carved wooden casket The casket contained an oriental miniature a scroll of curious characters and a phial of glowing blue elixir Nadia consulted a number of experts about these strange objects but not until a psychometric boy handled them did she begin to guess at the terrible truth She was trapped in a vortex of evil power and 20th century science seemed unable to save her
