Adult Sibling Relationships Geoffrey L. Greif, Michael E. Woolley, 2015-12-08 The bond siblings develop in childhood may be vastly different from the relationship that evolves in adulthood Driven by affection but also characterized by ambivalence and ambiguity adult sibling relationships can become hurtful uncertain competitive or exhausting though the undercurrents of love and loyalty remain An approach that recognizes the positive aspects of the changing sibling relationship as well as those that need improvement can restore healthy ties and rebuild family closeness With in depth case studies of more than 260 siblings over the age of forty and interviews with experts on mental health and family interaction this book offers vital direction for traversing the emotional terrain of adult sibling relations It pursues a richer understanding of ambivalence a normal though little explored feeling among siblings and how ambiguity about the past or present can lead to miscommunication and estrangement For both professionals and general readers this book clarifies the most confounding elements of sibling relationships and provides specific suggestions for realizing new productive avenues of friendship in middle and later life skills that are particularly important for siblings who must cooperate to care for aging parents or give immediate emotional or financial support to other siblings or family members Forthcoming Books Rose Arny, 2001-08

Sisters and Brothers Patti McDermott, 1992 **Sibling Revelry** Jo Ann Levitt, M.A., R.N., Marjory Levitt, Ph.D., 2009-08-26 Experience the miracle of healing with a unique step by step program for enhancing adult sibling relationships created by siblings for siblings Much has been written about the relationships of parents and children But the unsung chord in all of our adult relationships professional and personal is rooted in the sibling connection In this extraordinary book based on their Sibling Revelry workshops authors and siblings Jo Ann Marjory and Joel Levitt re create the seminars that have helped many strengthen the bonds of their adult sibling relationships In eight clearly focused steps with added material for home study the authors show how to transform sibling rivalry into extraordinary nurturing adult bonds that will enhance all other relationships in your life Now you can regain the closeness you and your siblings once shared heal old wounds and pave the way to a happier healthier future Learn how to Define your relationship Unload the myths of your shared past and discover who you are to each other now Witness the effect of old rivalries And use them as a springboard to great adult relationships Envision a new future Break the habits that hold your relationship firmly in place and create a powerful new vision for yourself and your family Explore new modes of contact Examine the role you play in your family and free yourself from damaging old patterns Heal wounds and misunderstandings Resolve old conflicts as you sort through old issues of fear anger guilt and hurt Invent new family legends Uncover the myths and legends that have shaped your relationship then create new ones Make room for differences Clear out sibling clutter and accept your siblings exactly as they are Honor your strengths Celebrate the positive qualities each sibling brings to the relationship and set the stage for a lifelong connection **Relationship Rules** Aimee B.
