

## No Mayo!

After all that I've seen on chapter 10 this summer diet, low carbohydrates, but this recent year, eating healthy numbers of vegetables, one of the things I've heard about the health benefits and ethical reasons. Vegetarianism is just really better for you, the earth, and it's also more sustainable and environmentally friendly. These are all probably not reasons why people choose to be a certain vegetarian. For some, it is a personal ethical decision based on the belief that animals can contribute to the food we eat. Others might be vegetarian because they care about the health benefits, like heart disease, obesity, diabetes, and some forms of cancer. In addition, vegetarians tend to live longer, have less blood pressure and cholesterol levels than non-vegetarians. Vegetarianism is also more sustainable than eating meat. The production of meat is negatively impacting our land, water, and soil. This year, I'm going to try to eat more meatless than animal, though, an improvement of myself. There are many good reasons to avoid meat!

Decide whether the following inference supports the inference that eating meat is bad for the environment.

Circle off the words that connect the words.

	Speaker	Second Person
In addition, vegetarianism has a lot of other benefits like sustainable living doesn't harm the environment.	✓	✓
Vegetarianism helps reduce environmental harm, like starting a new job.	✓	✓
The production of meat is negatively impacting the environment.	✓	✓

## A New Friend

My friend is really excited, one morning,  
Walking to school with a bright smile.  
The new school's a great one, an' helpful,  
But I'm not. I'll be making a friend to help.

Beginning the school year is the greatest,  
Never before, until now, I've had no new friends.  
New teacher, new hallway, new me,  
I'm doubtful I'll get approved.

My friend is really excited,  
My friend can identify who's doing what,  
My friend is smiling on the first day,  
I wish I could do the same just like her.

I'll be going to a new school to meet the sights,  
And I want to eat what kids in the hall,  
I'll be able to make new friends,  
And I'd somehow befriend them all.

The details in this poem support the key idea that the speaker is...

- Ⓐ excited to make new friends
- Ⓑ upset about switching schools
- Ⓒ scared no one will like them
- Ⓓ nervous about starting the new school year

Circle your answer in the box.

The poet uses \_\_\_\_\_ as a point of view in this poem.
