**Thinking Like a Generalist** Angela Kohnen,Wendy Saul,2023-10-10 What can we teach kids today that will have utility ten or fifteen years from now Angela Kohnen and Wendy Saul propose an approach to information literacy that goes beyond the teaching of discreet easily outdated skills Instead they use activity to help students build identities as curious individuals empowered to ask their own questions and able to navigate their information filled world in pursuit of credible answers A generalist is curious open minded skeptical and persistent in their quest for information Thinking Like a Generalist Skills for

Navigating a Complex World demonstrates what it means to take a generalist stance in instruction and provides a set of teaching tools to be able to pass those skills to students that will transfer beyond the walls of the classroom. Inside you'll find the following: A thorough introduction to what it means to be a generalist and how to develop the practices and tools that help generalists navigate the world we live in. A focus on the teacher becoming a generalist and tips for modeling those practices in the classroom. Detailed instructions on how to write a unit of study that emphasizes generalist literacy skills and includes an overview and examples of five different units. How to use the authors' read aloud think aloud strategy to orient students to generalist tools and practices. The ideas, strategies, and examples Thinking Like a Generalist will give you the tools to think like a generalist and then pass that knowledge on to your students, guiding them to become inquisitive lifelong learners and preparing them for a future that we can't yet imagine.

*Change Up* Buck Martinez, Dan Robson, 2016-03-29 In the spirit of Moneyball, the voice of the Toronto Blue Jays offers cutting insights on baseball. Buck Martinez has been in and around professional baseball for nearly fifty years as a player, manager, and broadcaster. Currently the play-by-play announcer for the Toronto Blue Jays, Martinez has witnessed enormous change in the game he loves as it has morphed from a grassroots pastime to big business. Not all of the change has been for the better and today's fans struggle to connect to their on-the-field heroes as loyalty to club and player wavers and free agency constantly changes the face of every team's roster. In *Change Up*, Martinez offers his unique insights into how Major League Baseball might reconnect with its fanbase, how the clubs might train and prepare their players for their time in The Show, and how players might approach the sport in a time of sagging fan interest. Martinez isn't shy with his opinions, whether they be on pitch count, how to develop players through the minor league system, and even if there should be a minor league system at all. Always entertaining and insightful, Martinez shares brilliant insights and inside pitches about summer's favorite game.
