The Chicago Guide for Freelance Editors Erin Brenner,2024-05-08 The definitive guide to starting and running a freelance editing business You ve been thinking about shifting into the world of freelance editing but you don t know where to start In a time when editors are seeking greater flexibility in their work arrangements and schedules freelancing is an increasingly common career option But deciding to go it alone means balancing the risks with the rewards From the publisher of The Chicago Manual of Style comes The Chicago Guide for Freelance Editors the definitive guide to running your business and finding greater control and freedom in your work life In this book Erin Brenner an industry leader and expert on the business of editorial freelancing gathers everything you need to know into a single resource Brenner has run her own successful editing business for over two decades and has helped hundreds of editors launch or improve their businesses through her teaching blog writing and coaching The Chicago Guide for Freelance Editors will walk you through the entire process of conceiving launching and working in a freelance editing business from deciding on services and rates to choosing the best business structure to thinking through branding and marketing strategies and beyond This book is ideal for beginning freelancers looking to get set up and land their first clients but it s equally valuable to those who have already been freelancing with detailed coverage of such issues as handling difficult clients and continuing professional development You ll find a collection of advice from other successful freelance editors in this guide as well as an extensive list of resources and tools In the final and perhaps most important chapter Brenner teaches you how to care for the key component of the business yourself

The TWI Facilitator's Guide Donald A. Dinero,2016-09-19 There are many books available covering the Training Within Industry TWI programs but few include any unique material on adaptation or modification This dearth of new has caused practitioners to alter the programs without understanding the underlying principles These changes have made the programs less effective One must however maintain the principles used in the programs when changing the delivery of the programs to suit the culture The purpose of The TWI Facilitator s Guide How to Use the TWI Programs Successfully is to prevent the TWI programs from falling into misuse and disuse This book will explain the main principles of the TWI programs and what they can accomplish but it will also stress what they are not This book reviews what the programs are and then explains how to use them It tells why we do certain aspects of each program When we know why we do something we won t stop doing it for the wrong reason
