Take Down The Flags Mark Binmore, 2017-10-08 To understand Take Down The Flags you have to go back a few years The original idea was a collection of short stories based on real life memories from people who had experienced war and the aftermath What did they remember Was it all misery Did they wave the flags when the ceasefire happened Did they actually miss it Instead of just writing up what they said I have used with their permission their stories and recollections as a basis to form various stories Names and places have been changed and various stories have been altered for dramatic purposes But this is really what the book is about Stories Reflections A chance for people to look back To laugh to cry to relive the pain the sorrow and the good times To make you live again Billboard ,2002-12-21 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Billboard* ,2002-12-14 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *The Beautiful Music All Around Us* Stephen Wade, 2012-08-10 *The Beautiful Music All Around Us* presents the extraordinarily rich backstories of thirteen performances captured on Library of Congress field recordings between 1934 and 1942 in locations reaching from Southern Appalachia to the Mississippi Delta and the Great Plains Including the children s play song Shortenin Bread the fiddle tune Bonaparte s Retreat the blues Another Man Done Gone and the spiritual Ain t No Grave Can Hold My Body Down these performances were recorded in kitchens and churches on porches and in prisons in hotel rooms and school auditoriums Documented during the golden age of the Library of Congress recordings they capture not only the words and tunes of traditional songs but also the sounds of life in which the performances were embedded children laugh neighbors comment trucks pass by Musician and researcher Stephen Wade sought out the performers on these recordings their families fellow musicians and others who remembered them He reconstructs the sights and sounds of the recording sessions themselves and how the music worked in all their lives Some of these performers developed musical reputations beyond these field recordings but for many these tracks represent their only appearances on record prisoners at the Arkansas State Penitentiary jumping on the Library s recording machine in a rendering of Rock Island Line Ora Dell Graham being called away from the schoolyard to sing the jump rope rhyme Pullin the Skiff Luther Strong shaking off a hungover night in jail and borrowing a fiddle to rip into Glory in the Meetinghouse Alongside loving and expert profiles of these performers and their locales and communities Wade also untangles the histories of these iconic songs and tunes tracing them through slave songs and spirituals British and homegrown ballads fiddle contests gospel quartets and labor laments By exploring how these singers and instrumentalists exerted their own creativity on inherited forms amplifying
