**The Girls in the Office** Jack Olsen, 2020-06-17 A compilation of multiple case histories of single women of various ages who all work for the same company in New York City He never reveals who the company is after decades of thought and a little research I think I figured it out but that isn't important What IS important is the lives of these women how they feel about their lifestyle how they feel about their work how they feel about the company and how they feel about each other If you ever sensed that the faces we wear in public have little to do with who we really are and how we really feel this book will solidify that feeling All of the women are very unique some you admire some you pity some you dislike But all are fascinating It's a flashback to the 1970s and the early stages of the women's liberation movement It will leave you wondering where these women are today and what became of their lives

Diary of being Loved Alex Omentee, 2018-11-27 This is not a children's book and it does have intimate explicit experiences written within it This is a story about a man who learned the meaning of love from many different women Each chapter will consist of one or more relationships that will entail their loving and intimate experiences We will examine the word Love and if someone can love anyone forever At the end of each chapter will be divulging the lessons learned from that experience to make him a better man Each lesson learned brings him closer to that desired and elusive loving relationship I am that man and this is my diary of experiences along with the hopes of finding that elusive loving relationship

**Finally, Enough Is Enough** Amber Parks, 2022-09-24 Finally enough is enough Do you wonder if you will ever find freedom from the shame bitterness resentment and brokenness that you carry around with you every day Do you wonder if anyone will truly love you the way that God loves you Do you believe that you can live a victorious life free from fear from always looking over your shoulder or wondering how you are going to make it through today If you said yes to one of these or all of these then you have picked up the right book It is time to say Finally enough is enough It is time to believe that you are worth much more than a punching bag and you deserve to be loved feel loved and be free to live a victorious life We all have wounds of many different sizes that have shaped us into who we are and that is not how God sees us Our past does not define us Through God's grace and forgiveness we are set free from our past If you have dealt with sexual physical emotional verbal spousal spiritual abuse or abandonment all of this will affect you as a child and then alter the way you think act and feel as an adult It will rob you of the life that God intended you to live God does not expect us to live a life full of abuse that would bound and cripple us from a life of freedom In Finally Enough Is Enough Amber shares her story with you explaining how she broke free from thirty eight years of abuse At the age of thirty eight she finally had an aha moment a moment that she realized she is worth much more and deserves much more She dug in deep and broke free from all the lies by healing her heart letting go of the hurt and learning the true meaning of forgiveness Amber is no longer living her life as a victim rather she is living a victorious life that God intended her to live The purpose of telling her story is to help guide you to freedom and true happiness to help break you from living as a victim and embrace living a
