Parenthood by Proxy Dr. Laura Schlessinger, 2009-10-13 Parenthood by Proxy is a passionate and provocative summation of the perils of parenting and a road map to safety for America's families Never one to shy away from tough truths Dr Laura marshals compelling evidence for the widespread neglect of America's children and condemns the numerous rationalizations to excuse it Parents special interest groups and professionals in education and psychology all contribute to a dangerous trend that places adult fulfillment above obligation to children Parenthood by Proxy addresses the causes and effects of this national crisis among them the high rate of divorce serial marriages single parenting the premature sexualization of children dual career families disdain for religion the redefinition of immoral behavior as lifestyle choices and societal intolerance for the concept of judgment In Parenthood by Proxy Dr Laura exhorts parents to make their own children their top priority and if necessary to

change their lives to do so In her straight shooting style Dr Laura entreats parents to involve themselves in their children s hearts minds and souls to cherish and protect them and to commit to the essential task of teaching them right from wrong She acknowledges that parents no longer get much support from neighbors or public and private institutions but she urges mothers and fathers to work even harder to counteract the prevailing culture of selfishness and irresponsibility Parenthood by Proxy covers all aspects of parenting from childbearing to discipline from multiple families to being role models
