MANUAL

TRANSMISSION

1992

FOREWORD

The information contained in this service manual has been prepared for the professional automotive technician involved in daily repair operations. Information in this manual is divided into groups by transaxle or transmission models. Each group is further divided to address individual components within the group. These groups contain general information, specification, removal and installation, disassembly and reassembly procedures for the components. The first page of each group contains an alphabetical index to assist in finding the location of the component. The information, descriptions and specifications were in effect at the time this manual was released for printing.

Mitsubishi Motors Corporation reserves the right to make changes in design or to make additions to or improvements in the products without incurring any obligations to those who have purchased the products previously manufactured.
