### FOREWORD

This Service Manual has been prepared with the latest service information available at the time of publication. It is subdivided into various group categories and each section contains diagnosis, disassembly, repair, and installation procedures along with complete specifications and tightening references. Use of this manual will aid in properly performing any servicing necessary to maintain or restore the high levels of performance and reliability designed into these outstanding vehicles.

Mitsubishi Motors Corporation reserves the right to make changes in design or to make additions to or improvements in its products without incurring any obligations upon itself to install them on its products previously manufactured.
