Online Hello Every Little Thing Matters:

The Blackberry Web Kelly Christenson, 2008-03 Rafe Langley's life is suddenly in shambles. His perfect life with wife Ann and daughter Julie is destroyed by a pedophile who systematically removes any sense of peace and safety. Devastated by the realization this betrayal comes from the one he trusts most, Rafe begins a journey of healing. His quest brings him in contact with a child pornography facilitator and a world-renowned journalist and provides a disturbing look at the differences between American and European culture. The Blackberry Web is a story of victims of all different ages of child abuse who must learn to trust and love again to overcome psychological and physical damage, to forget to forgive and to adjust to a new life of hope.

Shiny Little Things Linda Shantz, 2023-11-28 It's time for Faye to get her Happily Ever After on. A cozy holiday read full of festive fun with all the characters you've come to love in the Good Things Come series. When Faye met Will, all she wanted was a fling. Someone to get her over the guy she made the mistake of falling for and remind her why it's safer to never get attached. But her heart had other ideas, and two and a half years later, here they are. Everyone's pestering them to get married. Easy for them to say with their shiny perfect relationships. Faye's attached to Will quite enough, thank you very much. She doesn't need something shiny on her finger to prove it. Besides, Will's kept one foot in the city while Faye is committed to the small town café she runs. Thanks to Will, who arranged the takeover, and no thanks to Will, who she'd thought would be helping her. Instead, counting down to Christmas, Faye's trying to keep her head above water with events to plan, baking orders to fill, charities to support, and oh, did she mention she agreed to help her very undomestic best friend pull off Christmas dinner for her family. Why Faye. All Faye wants is for the mad seasonal rush at the café to be over so she can have a nice quiet break on the farm and finally figure out what's wrong with her and Will. But when Will announces his mother is coming for the holidays, it might be the final straw, sending her running back to the damaged version of herself she thought she left behind.
