**The Cultural Defense of Nations** Liav Orgad, 2015-11-05 The Cultural Defense of Nations presents a timely thought provoking thesis on some of the most pressing issues of our time global immigration majority groups and national identity Never in human history has so much attention been paid to human movement Global migration yields demographic shifts of historical significance profoundly shaking up world politics as has been seen in the refugee crisis the Brexit referendum and the 2016 U S election The Cultural Defense of Nations addresses one of the greatest challenges facing liberalism today is a liberal state justified in restricting immigration and access to citizenship in order to protect its majority culture Liberal theorists and human rights advocates recognize the rights of minorities to maintain their unique cultural identity but assume that majorities have neither a need for similar rights nor a moral ground for defending them The majority culture so the argument goes can take care of itself However with more than 250 million immigrants worldwide majority groups increasingly seek to protect what they consider to be their national identity In recent years liberal democracies have introduced proactive immigration and citizenship policies that are designed to defend the majority culture This book shifts the focus from the prevailing discussion of cultural minority rights and for the first time addresses the cultural rights of majorities It proposes a new approach by which liberal democracies can welcome immigrants without fundamentally changing their cultural heritage forsaking their liberal traditions or slipping into extreme nationalism Disregarding the topic of cultural majority rights is not only theoretically wrong but also politically unwise With forms of majority nationalism rising and the growing popularity of extreme right wing parties in the West time has come to liberally address the new challenge This is an open access title available under the terms of a CC BY NC ND 4.0 International licence It is free to read on the Oxford Academic platform and offered as a free PDF download from OUP and selected open access locations

*Law for Business and Personal Use, Anniversary Edition* John E. Adamson, 2002-04-18 Law for Business and Personal Use 15E maintains a fundamental emphasis on business law while introducing personal law topics that interest students Give your students the most comprehensive coverage of contracts ethics employment law credit banking partnerships bankruptcy and more

**Political Handbook of the World 2005-2006** William C Banks, T. Muller, W. Overstreet, 2005-12-19 For almost eighty years researchers seeking governmental and political information on countries around the globe have turned to Political Handbook of the World for the most authoritative and complete presentation of facts and analysis CQ Press welcomes this renowned publication to its list of acclaimed reference sources bringing its many current devotees and future users a new edition for 2005 2006 with a commitment to continuing the editorial integrity that has become the hallmark of this resource since its initial publication in 1928 Political Handbook of the World provides thorough and accurate information on the major aspects of each country's governmental and political composition As a convenient one volume source for global political information each edition features country profiles that include the following Key facts Political status area

population major urban centers official language monetary unit heads of government heads of state ambassadors and US and UN representation Government and political history Historical trends regime changes constitutional history and regional and global policy issues of concern Current issues Headline making events trends controversies and challenges Political parties and organizations Leading and minor parties quasi partisan and extra systemic organizations alliances party histories ideology and leadership Legislatures and cabinets Recent national election results legislative leaders cabinet ministers Communications Names circulation and political affiliation of major national media news agencies television coverage and Internet usage In addition Political Handbook of the World profiles 120 intergovernmental organizations such as OPEC NATO the WTO world and regional development banks and the agencies and specialized bodies of the United Nations Book jacket
