A wonderful evening has taken possession of my whole soul; the first sweet feelings of spring which I enjoy with my whole heart. I am alone, and feel the charm of existence in this spot, which was created for the bliss of souls like mine, and so happy, my dear friends, as absorbed in the exquisite sense of never-ending existence, that I repeat my words. I should be incapable of drawing a single stroke at the present moment, and yet I feel that I never was a greater artist than now when the dusky sky-birds sing with capricious sound, and the musician has unlocked the upper surface of the impenetrable foliage of my trees, and that a few stars gleam down into the inner sanctuaries. I know myself alone among the tall grass by the flowing stream, and, as I lie down in the earth, a thousand unseen spirits are hailing me, when I raise the base of the oak trunk among the stalks and grass familiar with the countless, indispensable forms of the insects and flies, then I feel the presence of the fragrance, also formed up in the last stage, and the beauty is wonderful.
