## **11 PAINTING**

### **11.1 General**

All structural steel components need to be protected permanently and effectively against any formation of rust thus avoiding weakening of the cross-sections. Protection against corrosion shall be achieved by painting. The paint coating is effective only if it adheres completely and permanently to the steel surfaces and if the paint resists quick wears.

### **11.2 Preparation of Surfaces for Painting**

**11.2.1** All surfaces of components to be painted shall be thoroughly cleaned of all foreign matters adhering to the steel surface to Swedish Standard specification Sa 2½ by means of blasting with shot. Use of scraper wire brush and pig hammer is acceptable wherever blasting is not possible due to lack of access.

**11.2.2** The thoroughly cleaned surfaces shall receive the paint within 6 hours following the removal of rust. If this period of 6 hours is not observed, due to any reasons whatsoever, the surfaces intended to be painted shall have to receive a new cleaning by sand blasting before the coat of paint is applied.

**11.2.3** Any removal of rust adherent to steel surfaces by means of chemical solvent is prohibited.

Subsequent to the removal of rust, oil and grease deposits shall be removed with chemical solvents. Wet surfaces shall be dried and painting shall generally be done immediately after cleaning.

**11.2.4** Welding areas shall not be painted until after the completion of welding operations.

However, wherever welding has to be carried out after erection at site, the shop coat of paint shall be removed thoroughly unless specifically permitted because of use of appropriate electrodes and paints, before welding and the adjoining steel surface including welding area shall be repainted after proper cleaning as specified herein.

**11.2.5** In case of interrupted welding seams, the front points shall be thoroughly cleaned from rust.

**11.2.6** The surfaces intended to be painted shall be inspected and approved by the Engineer prior to painting.

**11.2.7** Shot blasting shall be carried out in fully enclosed shed complying with all statutory & environmental norms. In case shot blasting to be carried out in monsoon season necessary precautions shall be ensured.

**11.2.8** The approved manufacturers for all paints shall be SHALIMAR, ASIAN PAINTS, BERGER PAINTS, JOTUN, AKZO NOBEL, or any other equivalent paint, but approved by the Employer.

### **11.3 Specifications of Painting**

**11.3.1** Two coats of epoxy base zinc rich primer (92% zinc on dry film) shall be applied by airless spray. The dry film thickness of two coats shall be 60 microns minimum. The tenderer may quote with Single Coat of suitable DFT if in the opinion of the tenderer the same will provide better life of painting system.

### Opca Painting Specification Manual Introduction

In the digital age, access to information has become easier than ever before. The ability to download Opca Painting Specification Manual has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Opca Painting Specification Manual has opened up a world of possibilities. Downloading Opca Painting Specification Manual provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Opca Painting Specification Manual has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Opca Painting Specification Manual. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Opca Painting Specification Manual. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Opca Painting Specification Manual, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Opca Painting Specification Manual has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
