**Situatedness and Performativity** Raquel Pacheco Aguilar, Marie-France Guénette, 2021-05-31 Translating and interpreting are unpredictable social practices framed by historical ethical and political constraints. Using the concepts of situatedness and performativity as anchors the authors examine translation practices from the perspectives of identity, performance, cultural mediation, historical reframing and professional training. As such the chapters focus on enacted events and conditioned practices by exploring production processes and the social, historical and cultural conditions of the field. These outlooks shift our attention to social and institutionalized acts of translating and interpreting, considering also the materiality of bodies, artefacts and technologies involved in these scenes. [Oroonoko: or, the Royal Slave \(Unabridged\)](#) Aphra Behn, 2013-07-10 This carefully crafted ebook Oroonoko or the Royal Slave Unabridged is formatted for your eReader with a functional and detailed table of contents. This ebook is a short novel by Aphra Behn 1640-1689 published in 1688 concerning the love of its hero an enslaved African in Surinam in the 1660s and the author's own experiences in the new South American colony. It is one of the earliest English novels. Interest in it has increased since the 1970s critics arguing that Behn is the foremother of British women writers and that Oroonoko is a crucial text in the history of the novel. Aphra Behn baptised 14 December 1640, 16 April 1689 was a prolific dramatist of the English Restoration, the first English professional female literary writer. Her writing contributed to the amatory fiction genre of British literature. Along with Delarivier Manley and Eliza Haywood she is sometimes referred to as part of The fair triumvirate of wit. Behn's work Oroonoko 1688 is critically acknowledged as important to the development of the English novel. She was also a key writer in seventeenth century theatre. She is perhaps best known to modern audiences for her short novel [Muslim-Christian Romance in Times of Captivity](#) Eva Simmons, 2025-05-15 Imagine being captured in war or kidnapped by pirates and sold into slavery. The terror you would feel. Throughout most of the Middle Ages and later such atrocities were commonplace. Christians and Muslims fought battles and enslaved their conquests. Members of these two religions were supposed to hate each other. And many did. But they also fell in love. And despite their differences found kinship and dangerous romance. This groundbreaking book tells how Muslims and Christians captured and captivated each other and how stories about their passionate love for the other travelled and changed from the Arabian Nights across the Mediterranean and beyond. **Michael Jackson's Radical Aesthetic** Willa Stillwater,2025-12-29 This two volume work encourages students fans and scholars to take an expansive view of Michael Jackson s art Focusing on his films which it approaches as exquisite works of art as well as a theoretical framework for interpreting his other work it demonstrates the depth and scope of his art and its far reaching cultural significance Specifically it demonstrates how Jackson engaged in a sophisticated process of telling untelling and retelling entrenched cultural narratives that perpetuate prejudice and how he modified affective responses to racial signifiers and other marks of difference In this way Jackson confronted prejudice more profoundly than any other American artist in recent memory This work also takes a detailed look at the allegations of child sexual abuse These were so shattering for Jackson both personally and creatively that his life and career divide into two parts a division reflected in the two volume structure of this work Volume One focuses on Jackson s early films followed by analysis of the allegations including historical factors that may have influenced how the police press and public reacted Volume Two then focuses on the art Jackson created in response including some of the most poignant political and significant work of his career Volume Two also looks at evolving perceptions of Jackson s face and persona approaching them as revolutionary yet deeply troubling works of art works that became even more unsettling as Jackson wrestled with the intense emotions unleashed by the abuse allegations It posits that popular perceptions of Jackson s face and persona were illusions that performed critically important cultural functions and that Jackson himself the man behind the illusion was a trickster artist It concludes that Jackson was the most important American artist of our time and that his face was his masterpiece However it only arrives at these conclusions after careful analysis of his films It s through his films that Jackson articulates his aesthetic Therefore it s his films that make his face legible

**Mrs. Behn's "Oroonoko".** Ernest Bernbaum,1913     **English Nights Entertainments. The History of Oroonoko; Or, the Royal Slave. Written Originally by Mrs. Behn, and Revised by Mrs. Griffiths** Aphra Behn,1800

A Royal Slave as Colonial Criticism in Aphra Behn's "Oroonoko" Alexandra Baum,2014-12-18 Seminar paper from the year 2014 in the subject English Language and Literature Studies Literature grade 2 7 University of Freiburg Anglistik Amerikanistik language English abstract Aphra Behn s narrative Oroonoko or the Royal Slave was published one year before her death in 1688 at a time when the Atlantic Slave Trade and African Slavery were in full blossom as a result of European Colonialism The story is about the curious case of the gallant prince Oroonoko who got pulled into slavery and was deported to the British colony of Surinam in the 1660 s Behn s work combines different genres of texts such as the travel narrative the romance but most importantly social criticism Although Oroonoko is regarded as a literary work by many scholars that has

advanced and supported the cause for the abolition of slavery in Britain as well as in its colonies it is in fact a non anti-slavery text. The author does not touch the pressing issue of slavery as such because she presents us with a rare and exceptional kind of slave. Nevertheless the book clearly illustrates through the depiction of its hero the injustice, cruelty and arbitrariness of slavery that has been brought upon the African peoples by European Colonialism. In this paper I will show Behn's unusual presentation of a royal slave in order to criticize British Colonialism first by giving a brief overview on Transatlantic African slavery that is portrayed in early modern literature second by analyzing the depiction of slaves in Behn's narrative with a special focus on Oroonoko the royal slave and finally by illustrating Behn's necessity for choosing a tragic hero who could have never been protected from the depths of slavery by his royal status.

**Women, the Novel, and Natural Philosophy, 1660-1727** K. Gevirtz, 2014-03-06 This book shows how early women novelists from Aphra Behn to Mary Davys drew on debates about the self generated by the scientific revolution to establish the novel as a genre. Fascinated by the problematic idea of a unified self underpinning modes of thinking female novelists innovated narrative structures to interrogate this idea.

His and Hers Ann Messenger, 2021-10-21 Exploring territory seldom visited by feminist scholars Ann Messenger in this new book presents eight studies of literary relationships between men and women writers ranging from the Restoration to the end of the eighteenth century. The essays show men and women working together praising and criticizing each other's work borrowing and changing each other's plots and characters recording their different perceptions of their common world. From Dryden's praise of Anne Killigrew through Gay's and Lady Mary Wortley Montagu's collaboration on a town eclogue Thomas Southerne's dramatizations of novels by Aphra Behn and Eliza Haywood's version of the Spectator to Cornelia Knight's sequel to Rasselas these relationships demonstrate that men and women writers inhabited the same literary world shared the traditions of the mainstream of English literature. Most of the women have since faded from view. But Messenger suggests the time has come to rediscover them to reassess their work and to revise the commonly accepted canon of literature accordingly. Although most of the studies deal with the way women's writing responds to writing

by men the Afterword combats the charge that the women s work is derivative Free of critical jargon and ideological strait jacketing His and Hers makes some little known writers available and interesting to specialists and nonspecialists feminists and traditionalists alike while it sheds new light on some of the most familiar figures of the period The Appendix reprints some of the shorter works which have been analyzed in detail and summaries in the text help to compensate for the unavailability of some of the women s books The comparative approach suggests a wide and rich field for further research
