Penguin Classics Introduction to Oroonoko, the Rover and Other Works by Aphra Behn (Penguin Classics)

Janet M. Todd, 2003 The Penguin Classics Book Henry Eliot, 2019-02-21 Shortlisted for Waterstones Book of the Year The Penguin Classics Book is a reader's companion to the largest library of classic literature in the world Spanning 4 000 years from the legends of Ancient Mesopotamia to the poetry of the First World War with Greek tragedies Icelandic sagas Japanese epics and much more in between it encompasses 500 authors and 1 200 books bringing these to life with lively descriptions literary connections and beautiful cover designs Penguin Classics Penguin (Firm), 2001 **Utopian Imagination and Eighteenth Century Fiction** Christine Rees, 2014-09-19 Utopian fiction was a particularly rich and important genre during the eighteenth century It was during this period that a relatively new phenomenon appeared the merging of utopian writing per se with other fictional genres such as the increasingly dominant novel However while early modern and nineteenth and twentieth century utopias have been the focus of much attention the eighteenth century has largely been neglected Utopian Imagination and Eighteenth Century Fiction combines these major areas of interest interpreting some of the most fascinating and innovative fictions of the period and locating them in a continuing tradition of utopian writing which stretches back through the Renaissance to the Ancient World Beginning with a survey of the recurrent topics in utopian writing power structures in the state money food sex the role of women birth education and death the book brings together canonical eighteenth century texts containing powerful utopian elements such as Robinson Crusoe Gulliver's Travels and Rasselas and less familiar works to examine the reworking of these topics in a new context The unfamiliar texts including Gaudenzio di Lucca are described in detail to give students an idea of relevant material across a broad area A section is devoted specifically to women writes an area which has become the focus of attention The mixture of texts provides a useful cross reference for students tackling the subject from various perspectives and the comprehensive bibliography provides a valuable tool for those with general or specific interests *Shakespeare, Aphra Behn and the Canon* W. R. Owens, Lizbeth Goodman, 1996 Videos contain specially produced video performances of *The Rover* and *As You Like It* to illustrate issues raised in the text *The Graphic Canon, Vol. 1* Russ Kick, 2019-04-02 THE GRAPHIC CANON Seven Stories Press is a gorgeous one of a kind trilogy that brings classic literatures of the world together with legendary graphic artists and illustrators There are more than 130 illustrators represented and 190 literary works over three volumes many newly commissioned some hard to find reinterpreted here for readers and collectors of all ages Volume 1 takes us on a visual tour from the earliest literature through the end of the 1700s Along the way we're treated to eye popping renditions of the human race's greatest epics Gilgamesh The Iliad The Odyssey in watercolors by Gareth Hinds The Aeneid Beowulf and The Arabian Nights plus later epics The Divine Comedy and The Canterbury Tales both by legendary illustrator and graphic designer

Seymour Chwast *Paradise Lost* and *Le Morte D Arthur* Two of ancient Greece's greatest plays are adapted the tragedy *Medea* by Euripides and Tania Schrag's uninhibited rendering of the very bawdy comedy *Lysistrata* by Aristophanes the text of which is still censored in many textbooks Also included is Robert Crumb's rarely seen adaptation of James Boswell's *London Journal* filled with philosophical debate and lowbrow debauchery Religious literature is well covered and well illustrated with the Books of Daniel and Esther from the Old Testament Rick Geary's awe inspiring new rendition of the Book of Revelation from the New Testament the Tao te Ching Rumi's Sufi poetry Hinduism's Mahabharata and the Mayan holy book *Popol Vuh* illustrated by Roberta Gregory The Eastern canon gets its due with *The Tale of Genji* the world's first novel done in full page illustrations reminiscent of Aubrey Beardsley three poems from China's golden age of literature lovingly drawn by pioneering underground comics artist Sharon Rudahl the Tibetan Book of the Dead a Japanese Noh play and other works from Asia Two of Shakespeare's greatest plays *King Lear* and *A Midsummer Night's Dream* and two of his sonnets are here as are Plato's *Symposium* *Gulliver's Travels* *Candide* *A Vindication of the Rights of Woman* Renaissance poetry of love and desire and *Don Quixote* visualized by the legendary Will Eisner Some unexpected twists in this volume include a Native American folktale an Incan play Sappho's poetic fragments bawdy essays by Benjamin Franklin the love letters of Abelard and Heloise and the decadent French classic *Dangerous Liaisons* as illustrated by Molly Crabapple Edited by Russ Kick *The Graphic Canon* is an extraordinary collection that will continue with Volume 2 *Kubla Khan to the Bronte Sisters to The Picture of Dorian Gray* in Summer 2012 and Volume 3 *From Heart of Darkness to Hemingway to Infinite Jest* in Fall 2012 A boxed set of all three volumes will also be published in Fall 2012 [Poems \[in, Oroonoko, the Rover and Other Works\]](#) (Penguin Classics). Aphra Behn, 2003 *Art in Theory* Paul Wood, Leon Wainwright, Charles Harrison, 2021-01-19 A ground breaking new anthology in the *Art in Theory* series offering an examination of the changing relationships between the West and the wider world in the field of art and material culture *Art in Theory The West in the World* is a ground breaking anthology that comprehensively examines the relationship of Western art to the art and material culture of the wider world Editors Paul Wood and Leon Wainwright have included 370 texts some of which appear in English for the first time The anthologized texts are presented in eight chronological parts which are then subdivided into key themes appropriate to each historical era The majority of the texts are representations of changing ideas about the cultures of the world by European artists and intellectuals but increasingly as the modern period develops and especially as colonialism is challenged a variety of dissenting voices begin to claim their space and a counter narrative to western hegemony develops Over half the book is devoted to 20th and 21st century materials though the book's unique selling point is the way it relates the modern globalization of art to much longer cultural histories As well as the anthologized material *Art in Theory The West in the World* contains A general introduction discussing the scope of the collection Introductory essays to each of the eight parts outlining the main themes in their historical contexts Individual introductions to each text explaining how they relate to the wider

theoretical and political currents of their time Intended for a wide audience the book is essential reading for students on courses in art and art history It will also be useful to specialists in the field of art history and readers with a general interest in the culture and politics of the modern world *Oroonoko; Or The Royal Slave: A True History [in, Oroonoko, the Rover and Other Works: Edited with an Introduction and Notes by Janet Todd] (Penguin Classics).* ,2003 **Women Writers and the Early Modern British Political Tradition** Hilda L. Smith,1998-03-26 This collection of essays includes studies of women s political writings from Christine de Pizan to Mary Wollstonecraft and explores in depth the political ideas of the writers in their historical and intellectual context The volume illuminates the limitations placed on women s political writings and their broader political role by the social and scholarly institutions of early modern Europe In so doing the authors probe legal and political restraints distinct national and state organisation and assumptions concerning women s proper intellectual interests In this endeavour the volume explores questions and subjects traditionally ignored by historians of political thought and little considered even by current feminist theorists groups who give slight attention to women s political ideas or place women s writings within the social and intellectual structures from which they emerged and which they helped to shape

Penguin Classics Complete Annotated Catalog Penguin Books,2003 **The Eighteenth Century** Kevin L. Cope,Robert C. Leitz,2007-09 *The Eighteenth Century* ,1974 *Troping Oroonoko from Behn to Bandele* Susan B. Iwanisziw,2018-01-18 This volume of essays invites the reader to assess literary texts from within the frame of the texts cultural history which includes issues of authorship and literary or stage convention as well as the social and political institutions that shaped and marketed that literature The collection initiates just such an in depth and focused analysis of the complex literary and social history of the royal slave Oroonoko All eight essays address elements in the evolution of Oroonoko from Behn s 1688 novella to Southerne s 1696 dramatic adaptation and thence to the adaptations by Hawkesworth 1759 Gentleman 1760 Anonymous 1760 Ferriar 1788 Bellamy 1789 and Bandele 1999 who serially expropriated the play as a platform to debate responsibility in matters of slavery and colonialism Perhaps unique among literary creations Oroonoko and his entourage with their distinctive race class and gender attributes came into popular consciousness as tropes gauging important shifts in English values during the course of the transatlantic slave trade Accordingly this study aims to provide a specific exemplum of rigorous focused research on a single complex and controversial topic but also to complicate some of our received notions about Oroonoko slavery and abolition with a view to encouraging a more rigorous analysis of the cultural history underpinning literary texts **Maria Edgeworth and Romance** Sharon Murphy,2004 The work of Maria Edgeworth has always attracted interest but little attention has been paid to her extraordinary recognition of the power of imagination a force which she and her contemporaries particularly associated with the romance rather than the realistic mode Drawing widely upon her lesser known educational treatises and literature for children and adolescents as well as her more celebrated tales and novels Sharon Murphy explores this aspect of Edgeworth s writing The book also offers a

reassessment of the literary consequences of Edgeworth's relationship with her father Richard Lovell Edgeworth and illustrates why her use of romance must be understood in terms of the greater familial and colonial romance that informs all of her writing

Women's War Drama in England in the Seventeenth Century Brenda Josephine Liddy, 2008 This book examines representations of women and war in female authored drama composed in seventeenth century England between the years 1645 and 1689 It examines how women's writing was influenced by the war and how at the same time women were creating a discourse of war It examines the legacy of the bloody events of the Civil War and their representation in early modern women's drama The study focuses on three key areas representations of women's communities representations of female warriors and representations of women as peacemakers The plays are thus considered thematically rather than chronologically The book is organized around focal points starting with the representations of women's community in early modern drama in chapters two and three moving on to representations of female warriors in chapters four and five and finally considering representations of peacemakers in chapters six and seven The present research shows that the work of these extraordinary women was created by the Civil War culture and that because of their interaction with the war they were also shaping a literary discourse of war Attention to these women's texts reveals their social embedment in early modern history and discloses the historicity of texts and the textuality of history This book sets a precedent by establishing a model for women's war drama this has never been done before in previous studies and thus this book makes an innovative and significant contribution to the field Extremely well researched this book provides the reader with an understanding of theoretical perspectives relevant criticism and women's dramatic writing of the seventeenth century Manuscripta, 1993 Issues for Feb 1957 July 1959 include a Checklist of the Vatican manuscript codices available for consultation at the Knights of Columbus Vatican Film Library at St Louis University pts 1 8
