Orphan Objectsfacets Of Textiles Collection:

Jewish Studies at the Turn of the Twentieth Century Angel Sáenz-Badillo, Judit Targarona Borrás, 2024-01-22 In July of 1998 the European Association for Jewish Studies celebrated its Sixth Congress in Toledo with almost four hundred participants. In these Proceedings have been collected 169 papers and communications read during the conference. By and large they offer a broad realistic perspective on the advances, achievements, and anxieties of Judaic Studies at the turn of the 20th century on the eve of the new millennium. They represent the point of view of the European scholars enriched with notable contributions by colleagues from other continents. One volume ISBN 978 90 04 11554 5 includes papers dealing with Jewish studies on biblical, rabbinical, and medieval times as well as with some general subjects such as Jewish languages and bibliography. A second volume ISBN 978 90 04 11558 3 is dedicated to the Judaism of modern times from the Renaissance to our days.

Catalog of Catalogs: A Bibliography of Temporary Exhibition Catalogs Since 1876 that Contain Items of Judaica William Gross, Orly Tzion, Falk Wiesemann, 2019-09-16 Catalog of Catalogs provides a comprehensive index of nearly 2 300 publications documenting the exhibition of Judaica over the past 140 years. This vast corpus of material, ranging from simple leaflets to scholarly catalogs, contains textual and visual material as yet unmined for the study of Jewish art, religion, culture, and history. Through highly detailed, fully indexed catalog entries, William Gross, Orly Tzion, and Falk Wiesemann elucidate some 2 000 subjects, geographical locations, and Judaica objects, ceremonial objects, illuminated manuscripts, printed books, synagogues, cemeteries, et al. Addressed in these catalogs are descriptions of the catalog's bibliographic components, contributors, exhibition history, and contents, all accessible through the volume's five indices. This volume is an unparalleled new resource for the study of Jewish Art, culture, and history.

Jewish Studies at the Turn of the Twentieth Century European Association for Jewish Studies. Congress, 1999. A cursed book. A missing professor. Some nefarious men in gray suits. And a dreamworld called the Troposphere. Ariel Manto has a fascination with nineteenth century scientists, especially Thomas Lumas, and The End of Mr. Y, a book no one alive has read. When she mysteriously uncovers a copy at a used bookstore, Ariel is launched into an adventure of science and faith, consciousness and death, space and time, and everything in between. Seeking answers, Ariel follows in Mr. Y's footsteps. She swallows a tincture, stares into a black dot, and is transported into the Troposphere, a wonderland where she can travel through time and space using the thoughts of others. There she begins to understand all the mysteries surrounding the book, herself, and the universe. Or is it all just a hallucination? With The End of Mr. Y, Scarlett Thomas brings us another fast-paced mix of popular culture, love, mystery, and irresistible philosophical adventure.

Encyclopedia of Jewish Folklore and Traditions Raphael Patai, 2015-03-26 This multicultural reference work on Jewish folklore, legends, customs, and other elements of folklife is the first of its kind.
