**E. F. Benson, 2015-08-11** This carefully crafted ebook Premium Short Stories Collection Blackmailing Crank Spook Classic Tales Unabridged is formatted for your eReader with a functional and detailed table of contents. Edward Frederic Benson 1867-1940 was an English novelist biographer memoirist archaeologist and short story writer known professionally as E. F. Benson. He started his novel writing career in 1893 with the fashionably controversial Dodo which was an instant success and followed it with a variety of satire and romantic and supernatural melodrama. He repeated the success of Dodo with sequels to this novel but the greatest success came relatively late in his career with The Mapp and Lucia series consisting of six novels and two short stories. The novels feature humorous incidents in the lives of mainly upper middle class British people in the 1920s and 1930s vying for social prestige and one upmanship in an atmosphere of extreme cultural snobbery. Benson was also known as a writer of atmospheric oblique and at times humorous or satirical ghost stories.
