Liste Collective Des Journaux Canadiens Disponibles Dans Les Bibliothèques Canadiennes National Library of Canada. Newspaper Section, 1977 *Dictionnaire des artistes et des auteurs francophones de l'Ouest canadien* Gamila Morcos, University of Alberta. Faculté Saint-Jean, 1998 Chaque notice contient les renseignements suivants nom prénom province ou territoire d'attache occupation domaine de spécialisation vie œuvre tudes ou missions sur le personnage références Un index alphabétique identifie les domaines de spécialisation des artistes et auteurs et un autre classe ces derniers par province et par territoire

Canadian Reference Sources Mary E. Bond, Martine M. Caron, 1996 This bibliography cites those Canadian and foreign reference sources that describe Canadian people, institutions, organizations, publications, art, literature, languages, and history. It lists books of a general nature as well as works in the disciplines of history and the humanities. These large divisions are then broken down by subject, genre, type of document, and province or territory. Titles of national, provincial, territorial, or regional interest are included in every subject area when available. The contents of the book are indexed four ways by name, title, French subject, and English subject. And to facilitate browsing, the major reference books those dealing with more than one subject or a large geographical region are also cross-referenced. Two entries have been created for each bilingual document in order to provide access and bibliographical descriptions in both of Canada's official languages. Entries for unilingual works include citation in the language of the publication and a bilingual annotation. The annotations are descriptive and provide information on the content, arrangements, and indexing of works, the availability of non-print formats, previous editions, and title changes, and related works. Canadian Reference Sources will be an invaluable reference tool for future scholars and researchers.

Department of Labour. Economics and Research Branch, 1967 *L'intervention collective en environnement* Yvan Comeau, 2011-03-25T00:00:00-04:00 Utiliser le transport en commun, recycler, manger bio, sont quelques-uns des gestes que l'on pose au quotidien pour l'environnement. Au-delà de ces actions individuelles, cependant, des actions collectives sont entreprises par des personnes, des groupes, des associations qui convergent autour de projets environnementaux. Faisant le pari que la connaissance de l'intervention collective peut mener son expérimentation, Yvan Comeau fait tat des principes pouvant inspirer et guider sa pratique. Dans son parcours, traversant l'engagement, le développement et le renouement de l'action collective, il jette un clairage précis sur les initiatives que peuvent entreprendre de concert les professionnels, salariés de différents horizons disciplinaires, les leaders d'organisations variées et les citoyens. Il y traite entre autres choses de la nature des actions collectives, d'accompagnement des enseignements tirés des expériences citoyennes, ainsi que des concepts des théories et des processus prouvés des sciences sociales utiles à l'intervention en environnement. Les militants, écologistes, les membres de groupes communautaires, aux intérêts variés, démontrent que les citoyens engagés seront inspirés par cet ouvrage.
