help brush the bottom or skim the surface of the water so my view of pool maintenance was pretty superficial After retiring from teaching I moved into a home with an in ground screened pool and soon realized that there is much more to pool maintenance than I thought The pool in my new home was green and cloudy when I moved in I spent most of the next three months obsessing over getting my pool clean clear and sanitized I also found that the pools that I grew up using were poorly maintained and the stinging eyes was caused by either the incorrect PH or chloramines spent chlorine and ammonia in the water My obsession turned into a business for me The advice and instructions I give in this guide is the result of my experience servicing hundreds of pools
