Griffith Thomas, 1973 Outline Studies in Acts, Romans, First and Second Corinthians, Galatians and Ephesians (Classic Reprint) William Gallogly Moorehead, 2015-07-10 Excerpt from Outline Studies in Acts Romans First and Second Corinthians Galatians and Ephesians These Outline Studies in the Acts and four of the Epistles are intended to serve as helps in the reading of this section of God's Word They are not critical although criticism occasionally is found in them because indispensable to the understanding of certain passages Nor are these Studies strictly expository although they are based on what is believed to be the essential meaning of each Book here dealt with The chief aim has been to point out as clearly and briefly as possible what is conceived to be the design and the fundamental truth of these great Scriptures Should they serve in any degree to open the Word to the reader and deepen in him the conviction that in these Books God himself speaks to us none will so rejoice as the writer In the preparation of the Studies many volumes have been consulted References to them in the text are scanty chiefly because it seemed undesirable to burden the pages with them Here however it is proper to mention those which have been of special aid viz Bernard's Progress of Doctrine in the New Testament Stifler's Introduction to the Acts and Commentary on the Romans Smith's and Hastings' Dictionaries of the Bible the Commentaries of Meyer Godet Moule Riddle Hodge Alexander Graham Findlay etc About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Outline Studies in the New Testament** Robert Lee, 1989 Outline Studies in the Acts of the Apostles William Henry Griffith Thomas, 1996-10-01 **Outline Studies in the Book of Acts** E. C. Gillentine, 1965* **Outline Studies in the Acts and New Testament Epistles** W. R. French, 1939* **The Acts of the Apostles** William Henry Griffith Thomas, 195? **Outline Studies in the Acts, the Epistles, and Revelation** Oscar Schultz Kriebel, 1906 Outline Studies in the New Testament William Gallogly Moorehead, 1953 **"An Outline to the Book of Acts, An Outline to the General Epistles of James, Peter, John and Jude and An Outline to the Book of Revelation"** Dr. Leland McClanahan Ph.D., 2013-08-30 This is a study of the only book

of history in the New Testament Preceding this study are outlines of the Gospels Matthew Mark Luke and John For further New Testament study outlines of the epistles have been prepared as well as an outline of the Book of Revelation The purpose of these outlines is to provide a resource for the use of serious Bible students as well as for Pastors and teachers to assist them in their studies It is hoped that the student and the teacher will find information which will clarify the text and bring a greater depth of understanding of the Word of God Pastors should find within the details presented valuable sequences for developing Bible studies and for use in developing sermons Perhaps a more significant title for this book would have been The Acts of the Holy Spirit as it reveals the Holy Spirit in His work in the early church The narrative opens with Jesus telling His disciples that the Holy Spirit will baptize them with His power They are to wait in Jerusalem until that day The Day of Pentecost arrives and the Spirit is seen as a wind bringing fire to the heads of the apostles inflaming them to speak in the varied tongues of the pilgrims who have gathered for the feast every man hearing the Word of God in their own language Philip finds himself taken by the Spirit to the desert to instruct and witness to the Ethiopian eunuch Barnabas and Paul become missionaries by the Spirit The Jerusalem church is inspired by the Spirit to accept the Gentile churches And the Spirit attends Paul in his missionary journeys and there is no doubt that Luke was inspired by the Spirit as he penned these words This book deals with the actions of Peter and Paul and with the growth of the church to the west Paul s missionary journeys are dealt with and the development of the church away from Jerusalem and the Jews to Rome and the Gentiles It is accepted by all Biblical authorities that Luke is the author of this book He is not named as author within the pages however there are several instances of the we in the first person plural in connection with Paul It is well known that Luke was with Paul in Palestine during Paul s imprisonment in Caesarea and that he traveled with Paul on the missionary journeys Luke again addresses his writing to Theophilus as he did in the Gospel of Luke The exact date is unknown but it is generally believed to have been written circa 62 A D

A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this

bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease The History of the Apostolic Church ... Erastus Blakeslee, Philip A. Nordell, 1895
