Online Reading Specialist Programs:

Literacy Specialist, Fourth Edition Rita M. Bean, Virginia J. Goatley, 2020-11-16 The definitive practitioner resource and text for developing excellence as a PreK-12 literacy reading specialist is now updated to reflect key changes in the field. Delving into the literacy specialist's multiple leadership roles, the book provides strategies for teaching children experiencing difficulty with reading and writing, supporting teachers through coaching and professional learning opportunities, designing curricula, conducting assessments at the student, classroom, and school levels, and building strong school, family, and community partnerships. Pedagogical features include vignettes from exemplary practitioners, questions for discussion and reflection, follow-up activities and ideas for instructors and workshop leaders. Reproducible forms and worksheets can be downloaded and printed in a convenient 8 x 11 size. Previous edition title: The Reading Specialist Third Edition. New to This Edition: Broader view of literacy now encompasses reading, writing, oral language, and digital and visual literacies. Grounded in the International Literacy Association's updated Standards 2017. New or expanded discussions of multi-tiered systems of support, culturally responsive practice, uses of technology in instruction, and professional learning. Successful practices in middle and high school settings and coaching. Extended case example that follows one literacy specialist through her entire first year in a school. Appendix with website resources.

Early Literacy Materials Selector (ELMS) Kathleen Roskos, Lisa Lenhart, Brandi Noll, 2012-09-27 Your all-in-one guide to selecting the very best early literacy materials. Learning to read and write is too important to be left to chance, so it's absolutely critical that the early literacy curriculum and literature you use in PreK and kindergarten environments reflect the very best research and instructional practices. But with the proliferation of new products, what's the best way to start? What criteria should the curriculum meet? Which research-based best practices should be represented? Early Literacy Materials Selector (ELMS) is the first dedicated evaluation tool for early childhood literacy materials. It provides all the answers. Step by step, this one-of-a-kind toolkit will help you recognize the characteristics of high-quality literacy materials. Work in teams or individually to evaluate your resources. Understand the importance of the research base. Establish a baseline against which new literacy materials can be compared. All in all, there's no better resource to ensure we put our youngest students on the right path to school readiness and success. Teachers, administrators, and curriculum directors will appreciate the clear guidance for conducting a systematic review of core program materials. A highly effective tool for examining the quality of early literacy materials, ELMS is the first of its kind and will be a welcome resource.

Susan B. Neuman Professor, University of Michigan. A much-needed resource for considering features of curriculum materials in a systematic way. I know of no other tool like it for early childhood materials.

Judith A. Schickedanz Boston University

The Administration and Supervision of Literacy Programs Shelley B. Wepner, Diana J. Quattroche, 2021 Readers gain insight into the research behind these issues and why they are particularly relevant to the 21st century classroom. More importantly, one sees how these various topics should be operationalized in schools and classrooms, always

with a good literacy leader guiding the way From the Foreword by Jack Cassidy past president International Literacy Association The Sixth Edition focuses on providing instruction at all grade levels and for different types of learners within the context of current state and federal mandates It explores specific program elements related to materials selection teacher evaluation professional development student assessment writing technology school and districtwide evaluation and parent and community outreach Contributors include Peter Afflerbach Rita M Bean William G Brozo M Susan Burns Patricia A Edwards Douglas Fisher Elena Forzani Nancy Frey Jennifer L Goeke James V Hoffman Jacy Ippolito Julie K Kidd Diane Lapp Donald J Leu Maryann Mraz Diana J Quattroche Timothy Rasinski D Ray Reutzel Kristen D Ritchey Misty Sailors MaryEllen Vogt Shelley B Wepner

Employability via Higher Education: Sustainability as Scholarship Alice Diver,2019-09-23 This book discusses the topic of graduate employability from the premise that in this era of massification economic austerity and political uncertainties higher education HE no longer guarantees a clear work place advantage Divided into three sections the book offers theoretical and philosophical discourses on the HE quandary whilst taking into account and critiquing political temporal and national contexts It culminates in an investigation into specific discipline areas It offers insights into the way that institutions decision makers academics and professional support staff can work together towards ensuring that our graduates are able to cope with the varied demands and challenges of modern job markets It harnesses arguments and reflections on the breadth and depth of the functions of HE such as social transformation promoting principles of social justice and providing opportunities It grounds these in a triadic model for enhancing student engagement and holistic learning namely the emotional cognitive and behavioural aspects As an anthology it is forward gazing in terms of the sustainability debate whilst still offering evidence based research grounded practical suggestions to readers looking for tips and tools of the trade
