Abstract—The purpose of this study was to determine the effect of a 10-week training program on the physical fitness of 10-year-old children. The study was conducted in a primary school in Ankara, Turkey. The study group consisted of 20 children (10 boys and 10 girls) who were randomly selected from the 10-year-old children in the school. The children were divided into two groups: a control group and an experimental group. The control group did not participate in any physical education program, while the experimental group participated in a 10-week training program. The physical fitness of the children was measured at the beginning and at the end of the 10-week period. The measurements included maximum heart rate, maximum oxygen consumption, maximum power, and maximum speed. The results showed that the experimental group had significantly higher values for all four measurements at the end of the 10-week period compared to the control group. The results suggest that a 10-week training program can improve the physical fitness of 10-year-old children.

Online First Isaiah Hermeneia Historical Commentary:

And God Saw That It Was Good (Gen 1:12) Ilse Capek, Petr Sláma, 2021-11-30 In this volume the concept of quality is discussed both in the Bible and in the scholarship that evolved around the Bible Scholars of various backgrounds analyse the Bible and its narrative and enumerative or legal way of qualifying the world around According to the intrinsic theological view of the Bible it is God himself who is the touchstone of any qualitative judgement From literary and historical point of view though we can and we often do judge Bible and things around us differently The volume presents an intersection of biblical theology biblical criticism and biblical archaeology in their quest for their respective renditions of quality **The Mirage Shall Become a Pool** Ondrej Hron, 2012-11-01 Few things are as important as our notions of justice and mercy Yet how are we to make sense of our moral treatment of the poor given all the political philosophical and theological voices While Christian Scripture is not silent on the matters of social justice and charity even here our variously conditioned presuppositions cause us significant interference Only a careful hermeneutical reset can move us beyond our personal and cultural situatedness This requires a thorough exploration of both interpretative strategies and pertinent scriptural witnesses So how would the New Testament witness have us treat the materially needy How do we act justly and love mercy in walking humbly with our God *Bearing Yhwh's Name at Sinai* Carmen Joy Imes, 2023-06-21 The Name Command NC is usually interpreted as a prohibition against speaking Yhwh's name in a particular context false oaths wrongful pronunciation irreverent worship magical practices cursing false teaching and the like However the NC lacks the contextual specification needed to support the command as speech related Taking seriously the narrative context at Sinai and the closest lexical parallels a different picture emerges one animated by concrete rituals and their associated metaphorical concepts The unique phrase *ns shm* is one of several expressions arising from the conceptual metaphor election as branding that finds analogies in high priest regalia as well as in various ways of claiming ownership in the Ancient Near East such as inscribed monuments the use of seals and the branding of slaves The NC presupposes that Yhwh has claimed Israel by placing Yhwh's own name on her In this light the first two commands of the Decalogue reinforce the two sides of the covenant declaration I will be your God you will be my people The first expresses the demand for exclusive worship and the second calls for proper representation As a consequence the NC invites a richer exploration of what it means to be a people in covenant with Yhwh a people bearing his name among the nations It also points to what is at stake when Israel carries that name in vain The image of bearing Yhwh's name offers a rich source for theological and ethical reflection that cannot be conveyed nonmetaphorically without distortion or loss of meaning *Before You Were Born, I Anointed You* Anna Beresford, 2022-09-12 Prophetic ministry in the Bible has long been perceived as the exclusive domain of individuals who were powerful authoritative argumentative and almost always male This impression cannot be sustained In a logical and engaging way Anna Beresford convincingly shows us that female characters throughout the biblical story are not merely peripheral actors but are often the

ones who proclaim God's prophetic word with disturbing clarity Beginning with the few women acknowledged as prophets in the Hebrew scriptural tradition Beresford proceeds to uncover a surprising host of hidden female prophets Among this cast we meet the widow whose last penny is consumed by organized religion the gate crasher who teaches a pious Pharisee stern lessons in hospitality a woman who has the last word in a theological debate A woman used to trap Jesus proclaims truth to power and a feisty foreign lady cleverly proves that God's love is for all of us regardless of gender or ethnicity This book is a compelling reminder that God speaks to all people women and men and calls on us to share the message whether it is convenient or not 2 Tim 4 2 NET

Finding Herem? Hyung Dae Park, 2007-05-03 The concept of Herem is found throughout the Old Testament

and presented a problem to the Second Temple Jewish authors In introducing the concept to their audiences and in applying it to themselves and other nations they avoided it by reducing or expanding omitting or changing the concept of Herem Much evidence in Luke Acts however indicates that Luke deliberately uses the concept of Herem in order to present the life and teaching of Jesus and his disciples Jesus death on the cross resurrection and ascension can be seen as Herem that redeems God s people The disciples thoughts and actions in Acts as well as all the Christ event are based on Jesus teaching such as Luke 9 24 and 20 25 Ultimately this study suggests that readers of Luke Acts should consider the whole Old Testament so as to understand Lukan use of the Old Testament and its attitude to the Mosaic law Moreover this study shows that the ethics of Luke Acts are not limited to sharing possessions but related to offering or giving what belongs to oneself even life without expecting any reciprocal advantage Furthermore the concept of Herem detected in Luke Acts makes it possible to argue that there is an atonement theology in Lukan writings **Joyce in the Belly of the Big Truck; Workbook** Joyce A.

Isaiah 1-39: The Christian Standard Commentary Gary V Smith,2022-01-15 Isaiah 1 39 The Christian Standard Commentary is part of The Christian Standard Commentary CSC series This commentary series focuses on the theological and exegetical concerns of each biblical book while paying careful attention to balancing rigorous scholarship with practical application **Isaiah 1-39** Ronald Ernest Clements,1980 Isaiah 1-39 ,2021 Writing a commentary on the book of Isaiah in the middle of a paradigm shift in biblical studies and in the study of the prophetic books in particular is no easy task The book of Isaiah has been the object of more scholarly interest over the past two or three decades than during the preceding century At the same time much of the received wisdom on the formation of the book has been called into question including such matters as the date of its several components the standard tripartite division the role if any to be assigned to the prophet Isaiah himself and the passages dealing with the anonymous Servant of the Lord A great deal of effort has been and continues to be expended in exploring new approaches to the book both within the conventional critical methodologies and beyond them This commentary by Joseph Blenkinsopp on the first thirty nine chapters of the book the first of a three volume commentary on Isaiah is written from a critical perspective in the belief that only in this way can these texts be given the opportunity to say what they have to say and also in the conviction that what they have to say still retains its transforming power for those willing to listen attentively today The result is a commentary of unequalled brilliance and insight that will
