## Osogbo Speaking To The Spirits Of Misfortune:

**Osogbo** Ócha'ni Lele,2014-03-21 By understanding osogbo the spirits of misfortune we can better overcome them and return to health and balance in our lives Explains how misfortune works in this world as living spirits that plague humanity but are also a catalyst for self development and conscious evolution Shows that we can overcome osogbo through eb sacrifice and hard work as prescribed by consulting the orishas through the casting of the dilogg n Shares more than 40 ancient African sacred stories about the spirits of osogbo Beginning with the story of his goddaughter s battle with stage IV cancer Lucumi priest cha ni Lele explains the role of osogbo or misfortune in our lives While everyone seeks blessings in life undeserved blessings make us weak and lazy It is tragedy that encourages us to grow and persevere Exploring the Lucum beliefs regarding osogbo he shows that the Lucum faith is neither fatalistic nor defeatist but healing and life affirming He shares more than 40 patak s stories stemming from the ancient Yoruba of West Africa about the different spirits of osogbo who like the orishas once walked the earth in human bodies He explains the place of these spirits within the 256 odu of the dilogg n the divination system used in Santer a to receive guidance from the orishas Lele shows that the spirits of osogbo are not only concepts but also real deities and that we can if we understand their nature fight them through eb sacrifice and hard work He reveals how the osogbos see themselves as entities of misfortune who stand against life and all that is good in the world but in truth it is misfortune that strengthens us misfortune that motivates us and misfortune that brings great evolution to the world As the author shows Without bitterness one could not know sweetness Likewise without misfortune in our lives we would never know blessings or what it means to be blessed
