Our Lady Of The Forest:

Our Lady of the Forest David Guterson, 2012-05-01 One of the most exciting and thoughtful novels I've read this year a wonderful novel Daily Mail Another virtuoso performance from David Guterson Gripping It balances the tension between belief and despair without ever losing its sense of mystery L A Times Book Review Ann Holmes seems an unlikely candidate for revelation A sixteen year old runaway she is an itinerant mushroom picker who lives in a tent Her past has been hardscrabble Then one November afternoon in the foggy woods of North Fork Washington the Virgin comes to her clear as day Is this delusion a product of her occasional drug use or a true calling to God Gradually word spreads and thousands converge upon the already troubled town For Tom Cross an embittered logger who's been out of work since his son was paralysed in a terrible accident the possibility that Ann's visions are real offers a last chance for him and his son As Father Collins searches both his own soul and Ann's as Carolyn struggles with her less than admirable intentions as Tom alternates between despair and hope Our Lady of the Forest combines suspense grit and humour in a story of faith at a contemporary crossroad
