The Four Presidents of the Watch Tower Society (Jehovah's Witnesses) Edmond C. Gruss, 2003 **REVIEWING 2013**
New World Translation of Jehovah's Witnesses Edward D. Andrews, 2018-01-28 REVIEWING 2013 New World
Translation of Jehovah's Witnesses is going to challenge your objectivity Being objective means that personal feelings or opinions do not influence you in considering and representing facts Being subjective means that your understanding is based on or influenced by personal feelings tastes or ideas If the reader finds these insights offense it might be a little mind control at work from years of being told the same misinformation repeatedly so ponder things objectively We can also have preconceived ideas that have been a part of our thinking for so long we do not question them Preconceived is an idea or opinion that is formed before having the evidence for its truth If we are to be effective we must season our words so that they are received well Then there is the term preconception which means a preconceived idea or prejudice Seasoned words honesty and accuracy are distinctive features of effective apologetic evangelism **Dictionary of J. W. Eise** David Reed, 2010-01-03 Jehovah's Witnesses have a unique vocabulary incomprehensible to outsiders They also use familiar Christian terms to mean something different from standard usage This book is a dictionary of such J W eise language Moreover it explains how JWs engage in doubletalk when speaking with outsiders and tells the reader how to break through that doubletalk to share the Gospel of Christ with those trapped inside the cult Reed is the author of Answering Jehovah's Witnesses Subject by Subject and the popular book Jehovah's Witnesses Answered Verse by Verse This Dictionary of J W eise was originally published in 1997 under the title Jehovah Talk by Baker Book House This volume is the 2010 Lulu edition

Apocalypse Delayed M. James Penton, 2015-01-01 For almost thirty years M James Penton's Apocalypse Delayed has been the definitive scholarly study of the Jehovah's Witnesses As a former member of the sect Penton offers a comprehensive overview of this significant religious movement **Our Church Life**, 1894 **Jehovah's Witnesses**, 1993 History and teachings of Jehovah's Witnesses organization **New Serial Titles**, 1993 A union list of serials commencing publication after Dec 31 1949 *Metropolitan Pulpit and Homiletic Monthly*, 1897 The Chapel Hymnal Presbyterian Church in the U.S.A., 1898 This book is the second in a series of three hymnals intended to cover the needs of the Church through the whole range of its public worship The first The Hymnal was prepared as a complete manual of praise covering especially the Sunday services but including also every side of church worship and work the second The Chapel Hymnal is prepared for those who prefer a smaller book for use in prayer meetings young people's societies and other social services and the last of the series is to cover the services of the Sabbath school The Chapel Hymnal consists principally of those hymns in The Hymnal which are best adapted for use in devotional meetings and of such tunes as can be used to good advantage on such occasions and ordinarily the association of hymn and tune has been retained In addition there have been included in this book some standard hymns and tunes reserved for this use when The Hymnal was prepared together with some fresh

selections of a popular character and a number of the more desirable Gospel Hymns The pages of the book are so arranged as to provide a choice of tunes in the case of a large number of the hymns It is the usage of many of our churches to sing the Amen at the close of each hymn and the proper chords are provided for any who may wish to use them Preface
