## **Our Occulted History:**

Our Occulted History Jim Marrs, 2013-02-12 The author of Alien Agenda illustrates how human civilization may have originated with non humans who visited earth eons ago and may still be here For years we ve been taught that human progress has been a long slow climb from the primordial ooze to hunter gatherers to empires But what if that s only part of the story Bestselling author and legendary conspiracy researcher Jim Marrs who has investigated the recent financial crisis the JFK assassination and the national socialist takeover of America now takes on his biggest subject the history of mankind Our Occulted History overturns conventional knowledge and beliefs presenting compelling evidence that the earth once hosted prehistoric civilizations using technologies that very well may have surpassed our own Sound unbelievable Just a few hundred years ago so was the concept that the earth revolved around the sun Marrs sifts through the historical scientific and cultural record showing how numerous ancient texts and tablets tell of visitors from the stars colonizing the earth From the flying vimanas of the Hindu Vedic literature and the flying shields reported by the Romans to the mysterious airships of the 1800s and the UFOs of today he argues that someone other than us is still present on this planet But are these visitors simply observers or do they play a much more active and controlling role Jim Marrs raises this shocking question and more in the provocative and persuasive Our Occulted History The truth is out there and in here

## **Wars of the Anunnaki**

Chris H. Hardy, 2016-07-18 Examines the Anunnaki gods evolving relationships with humanity their power struggles and the details of their nuclear war on Earth Analyzes the crisis and rationale behind the Anunnaki decision to nuke 5 cities in the Jordan plain resulting in the obliteration of Sumerian civilization Draws upon the work of Zecharia Sitchin the Book of Genesis Sumerian clay tablets and archaeological evidence such as ancient radioactive skeletons Examines the Anunnakis lack of higher consciousness their reliance on technology their sacred power objects and sacred geometry and the possibility of Anunnaki bases on Mars in the distant past The detonation of nuclear weapons in the 20th century was not the first time humanity has seen such terrible destruction Drawing upon the work of Zecharia Sitchin the Book of Genesis Sumerian clay tablets and archaeological evidence such as ancient radioactive skeletons Chris Hardy reveals the ancient nuclear event that destroyed the Sumerian civilization and the power struggles of the gods that led up to it The author explains how the Anunnaki came to Earth from the planet Nibiru seeking gold to repair their ozone layer Using genetic engineering they created modern humanity to do their mining work and installed themselves as our kings and our gods Anunnaki god Enki had a fatherly relationship with the first two humans Then Enlil Enki s brother took over as Commander of Earth instating a sole god theocracy and a war against the clan of Enki and humanity for spoiling the Anunnaki bloodlines through interbreeding This shift imposed a blackout not only of the very human nature of the Anunnaki gods but also of humanity s own ancient past on Earth Two of Enlil s attacks against the Enki clan and humanity are described in the stories of the Deluge and the Tower of Babel His final attempt after coercing the Assembly of the Gods into voting yes was the nuclear bombing of 5 cities of the

Jordan plain including Sodom and Gomorrah which resulted in the destruction of the Sumerian civilization and the Anunnakis own civilization on Earth including their space port in the Sinai The author reveals how after each attempt humanity was saved by Enki chief scientist Ninmah and Enki s son Hermes The author explores how the Anunnakis reliance on technology and their recurrent wars caused them to lose touch with cosmic consciousness And she reveals how we will be doomed to repeat this dynamic until humanity awakens to our true origins     *DNA of the Gods* Chris H. Hardy,2014-03-21 An in depth study of humanity s Anunnaki origins and the Anunnaki battle for an intelligent versus enslaved humanity Explains the genetic engineering of humanity by an Anunnaki scientist Ninmah Shows how the concepts of sin and the inferiority of women arose from Enlil s will to keep humanity underdeveloped clashing with Enki s and Ninmah s plan to make us equal in intelligence Reveals how humanity s long history of conflict was shaped by the battle between Enki and his brother Enlil Further developing the revolutionary work of Zecharia Sitchin Chris Hardy shows that the gods of ancient myth visitors from the planet Nibiru created us using their own divine DNA first through DNA extraction from their own ribs marrow and later by direct relations with early human females Drawing upon multiple sacred texts Hardy details the genetic engineering of humanity by Anunnaki scientist Ninmah with the help of Enki and Hermes She reveals how Ninmah s first female human creation Tiamat Eve contained more alien DNA than the earlier male one Adamu and how the biblical Noah represents the perfection of her work Examining the war between Anunnaki brothers Enki and Enlil Hardy reveals how the concepts of sin and the inferiority of women were born out of Enlil s attempts to enslave and then wipe out humanity repeatedly thwarted by Enki and Ninmah The author further explains how the sacred sexuality taught to humans still seen in Tantric practice became suppressed millennia later by the patriarchal concept of original sin and how innocent Eve took the blame for the expulsion from Eden and fall from Grace Showing that the god who created us was not the same god who expelled us from Eden Hardy explains that there will be no apocalypse because the Good Evil duality has never truly existed it has been only enemy gods fighting and implicating humanity in the wake of their own competition for power With a full psychological understanding of how the ancient gods have shaped humanity s ongoing history of conflict we can move beyond the framework of my Good versus your Evil imposed by Enlil and begin to steer our own planetary destiny     **Weapons of the Gods** Nick Redfern,2016-04-25 In 1945 the Japanese cities of Hiroshima and Nagasaki became the first and last victims of the atom bomb the most destructive man made force our planet has ever known Or were they just the latest in a long line of Armageddon level events Is it possible that our civilization is in reality just one of many Did previous cultures blossom develop and thrive only to destroy themselves tens or hundreds of thousands of years ago with the same atomic technology These are the controversial and thought provoking questions at the heart of Nick Redfern s Weapons of the Gods which argues that many ancient civilizations cracked the secrets of the atom only to become the victims of its awesome terrifying power Still others may have been destroyed by hostile aliens with their own nuclear arsenals Where is the evidence The

answer is shockingly simple it's everywhere It's just a matter of knowing where to look for it from the biblical cities of Sodom and Gomorrah and the ancient Pakistani culture of Mohenjo daro Pakistan to the Lonar Crater in India and the revelations in the Ramayana and Mahabharata two ancient Sanskrit texts that describe nuclear warfare thousands of years ago **UFOs, Conspiracy Theories and the New Age** David G. Robertson, 2017-08-24 How and why were UFOs so prevalent in both conspiracy theories and the New Age milieu in the post Cold War period In this ground breaking book David G Robertson argues that UFOs symbolized an uncertainty about the boundaries between scientific knowledge and other ways of validating knowledge and thus became part of a shared vocabulary Through historical and ethnographic case studies of three prominent figures novelist and abductee Whitley Strieber environmentalist and reptilian proponent David Icke and David Wilcock alleged reincarnation of Edgar Cayce the investigation reveals that millennial conspiracism offers an explanation as to why the prophesied New Age failed to arrive it was prevented from arriving by malevolent hidden others Yet millennial conspiracism constructs a counter elite a gnostic third party defined by their special knowledge An overview of the development of UFO subcultures from the perspective of religious studies UFOs Conspiracy Theories and the New Age is an innovative application of discourse analysis to the study of present day alternative religion **The Babylon Code** Paul McGuire, Troy Anderson, 2015-10-06 What if God embedded a code in the Bible that could only be cracked in the end times a prophetic cypher that reveals how the four blood moons and the biblical Shemitah are just signs of the beginning of end time events Unlocking a great mystery that has puzzled scholars for nearly two thousand years THE BABYLON CODE reveals how powerful forces are now at work to create a global government cashless society and universal religion as predicted by the prophets The result of a five year journalistic investigation THE BABYLON CODE takes readers on a spellbinding journey to explore the link between the world's most secret organizations the Bible's greatest prophetic riddle and what world renowned evangelist Billy Graham describes as a convergence in end time signs for the first time in history This prophetic mystery book pieces together the apocalyptic puzzle uncovering what may be not only the biggest story and political scandal in modern history but also the secret to both our survival and our salvation **A Shaping of Connections** Alexander Norman Jeffares, 1989 **African American Autobiography** William L.
