## **Our Sunday Visitors Catholic Almanac 2001:**

*Our Sunday Visitor's 2001 Catholic Almanac* Matthew Bunson,2000 Provides facts and information about the Catholic Church and includes listings for Catholic associations and web site addresses    [Our Sunday Visitor's 2004 Catholic Almanac](#) Matthew Bunson,2003 As always Our Sunday Visitor's Catholic Almanac is more than just the facts It's 640 pages of facts reports articles and background analyses Yes it's 640 pages of information you'll want to have on hand because it's the information that matters information you can use This is the book for the original browser For the reader who wants to know more about the Faith about the Church about the world And it's still the first choice among students teachers and homilists The always online and available resource for media professionals    [Our Sunday Visitor's Catholic Almanac](#) Matthew E

Bunson, D.Min. D.Min.,2005    **Finding God** Joseph T. Sullivan,2002 Meant for both believers and non believers this book can strengthen an already good relationship with God or help begin the process of moving closer to the Almighty For some religious education was minimal leading to a limited formal knowledge about God and the church These people may wish for a clearer understanding wanting answers to many unasked questions Consequently this book is written as a set of questions and answers hopefully covering some of the relevant religious topics As Matthew wrote in his Gospel Ask and it will be given to you    *Our Sunday Visitor's 1996 Catholic Almanac* Felician A. Foy,Rose M. Avato,1995-10    **American Reference Books Annual** Bohdan S. Wynar,2003 1970 issued in 2 vols v 1 General reference social sciences history economics business

v 2 Fine arts humanities science and engineering    *Index to American Reference Books Annual* ,2000    *Popes and Cardinals of the 20th Century* Harris M. Lentz III,2015-07-11 From 1900 through 2000 the Catholic Church has had nine popes As the 21st century began John Paul II was in his 22nd year as head of the church During the century more than 600 cardinals have helped to lead the church This biographical reference work covers all nine popes and all 641 cardinals The first section presents the popes in chronological order and provides date and place of birth and death education and training for the priesthood positions held within the church and roles in church leadership and various conclaves In the second section the cardinals are listed alphabetically and much the same biographical information is provided for them An appendix gives all the cardinals appointed by John Paul II in 2001    [Recommended Reference Books for Small and Medium-Sized Libraries and Media Centers, 2001](#) Bohdan S. Wynar,2001 This title identifies and describes hundreds of the most valuable references for smaller libraries It covers books and electronic resources and each entry is coded for college public and school libraries It also furnishes bibliographic and ordering information and is thoroughly indexed    **Great Awakenings** David

Horn,Gordon L. Isaac,2016-01-01 This book is an engaging look at spiritual awakenings that have happened in the church throughout history It examines how these extraordinary movements of God translate into the larger cultural analysis of today Spiritual awakenings have refreshed the people of God from the very origins of the church What about these past movements can be instructive for the church today Can we expect God's awakening presence in our day These questions brought about

the Surprising Work of God Conference in the fall of 2015 in which speakers traced awakening movements from the Old and New Testaments to the present day Great Awakenings represents the culmination of this conference as the collected works of notable speakers Chapters address questions about spiritual awakenings through historical theological and sociological lenses They look at the events that precipitated these awakenings evaluating whether their causes were purely religious or otherwise and finally suggest what about the awakenings is normative for the church today

#### **A Matter of Discretion**

Brian R. Calfano,Melissa R. Michelson,Elizabeth A. Oldmixon,2017-04-12 Clergy are pillars of local religious communities and Roman Catholic priests are perhaps the quintessential examples of pastors functioning as political elites The political science literature demonstrates that priests indeed clergy more generally are well positioned to influence the faithful even if this influence is somewhat inconsistent At their core priests are opinion leaders and representatives of their church to both the faithful and their local communities But exactly how Catholic priests determine the political acts and attitudes associated with their elite role remains a puzzle We suggest it is the product of an interactive institutional social and psychological milieu the complexity of which has not been fully assessed in the extant literature Though some might prefer to think of priests as profiles in courage operating above the political fray the institutional and personal realities of priest life often forces them to deal with the political realm In doing so priests are variably responsive to different principals or reference groups that represent specific dimensions of their professional context Drawing on a series of randomized experiments on samples of Roman Catholic priests in the US and Ireland we find that priests cognitively draw on varying professional and personal cues in responding to their employer s institutional preferences Furthermore how priests represent their church s political preferences to parishioners appears to be a matter of individual level discretion
