Outpost II Journey D W Stephen:

Outpost II D. W. Stephen, 2015-12-12 Angelina knew they weren't alone as unexplained events and the voice in her head guided them to salvation. She's already here, that's why they didn't send someone for Fritz. We're not the chosen few. Will soul bonding love be enough to save her husband and child, or will they perish when another world erupts in flames? Maybe home isn't where she thought it was.

The Gus Van Sant Touch Justin Vicari, 2012-09-20 Beloved controversial influential the creator of such fascinating and award winning films as *My Own Private Idaho* *Good Will Hunting* *Elephant* and *Milk* Gus Van Sant stands among the great international directors equally at home in Hollywood and the avant garde. Examining his films thematically this book finds consistency of vision in Van Sant's unique approach to cinema which deploys postmodernist techniques such as appropriation, nonlinear narrative and queering not in the service of the chic but to apply an all inclusive viewpoint to ageless tales of life, love and death. Van Sant's films are viewed through a multi genre prism including the work of Bruce Weber and Derek Jarman, the westerns of Sam Peckinpah, the music of the Velvet Underground and Nirvana, the fiction of Sam D'Allesandro and especially the cut up collage practice of intertextual authorship pioneered by William Burroughs.

California Slim Andrew J. Bernstein, 2018-11-28 There are literary reminiscences that reek of self congratulation over the authors proximity to famous movers and shakers. Andy Bernstein's *California Slim* aspires to far more than that and achieves it. Andy was there at the onset of the post 50s revolution that as a beat poet once put it roared as it ripped the threadbare fabric of an age. Andy was no distant casual observer during the tumultuous 60s and 70s; he was at the heart of the maelstrom and writes about it with candor, humor and originality. The story begins for God's sake with Andy and his then unknown banjo teacher, a young Jerry Garcia fingerpicking in a back room at Dana Morgan's Music Studio in Palo Alto in 1962. A skinny six foot seven inch Jewish kid later known as California Slim. Andy divided his time between the usual adolescent interests and music for which he would go on to provide a capital M by promoting and staging concerts throughout the San Francisco Bay Area. His Palo Alto nightclub, Homer's Warehouse, across the street from the Stanford University campus brought revolutionary musicians among them Sonny Terry and Brownie McGhee to young sensibilities hungry for new driving rhythms and thought provoking lyrics. The early chapters of this book set the stage for Andy's eventual hooking up with Willie Nelson and his Family which felt Andy said like reading a really good book that I couldn't put down. That feeling led directly if gradually to *California Slim*. And you dear reader won't be able to put it down either. Tony Compagno.
