Ira Rosen

Emmy Winners Latest Sign In:

Ticking Clock Ira Rosen, 2021-02-16 Two time Peabody Award winning writer and producer Ira Rosen reveals the intimate untold stories of his decades at America's most iconic news show. It's a 60 Minutes story on 60 Minutes itself. When producer Ira Rosen walked into the 60 Minutes offices in June 1980, he knew he was about to enter television history. His career catapulted him to the heights of TV journalism, breaking some of the most important stories in TV news. But behind the scenes was a war room of clashing producers, anchors, and the most formidable 60 Minutes figure: legendary correspondent Mike Wallace. Based on decades of access and experience, Ira Rosen takes readers behind closed doors to offer an incisive look at the show that invented TV investigative journalism. With surprising humor, charm, and an eye for colorful detail, Rosen delivers an authoritative account of the unforgettable personalities that battled for prestige, credit, and the desire to scoop everyone else in the game. As one of Mike Wallace's top producers, Rosen reveals the interview secrets that made Wallace's work legendary and the flaring temper that made him infamous. Later, as senior producer of ABC News Primetime Live and 20/20, Rosen exposes the competitive environment among famous colleagues like Diane Sawyer and Barbara Walters and the power plays between correspondents Chris Wallace, Anderson Cooper, and Chris Cuomo. A master class in how TV news is made, Rosen shows readers how 60 Minutes puts together a story when sources are explosive, unreliable, and even dangerous. From unearthing shocking revelations from inside the Trump White House to an outrageous proposition from Ghislaine Maxwell to interviewing gangsters Joe Bonanno and John Gotti Jr., Ira Rosen was behind the scenes of some of 60 Minutes' most sensational stories. Highly entertaining, dishy, and unforgettable, *Ticking Clock* is a never-before-told account of the most successful news show in American history.

It's (Almost) Always Sunny in Philadelphia Kimberly Potts, 2025-07-01 In the bestselling traditions of *Seinfeld* and *Top of the Rock* comes a fascinating deep dive into the longest running live action sitcom in television history, from its humble beginnings to its evolution as a critically acclaimed cult classic comedy. Charlie, Dennis, Mac, Sweet Dee, and Frank are deplorable characters. They will never mature, become more self-aware, or less self-involved. That is what the creators of *It's Always Sunny in Philadelphia* are committed to, and that's why the show's millions of devoted fans have stuck with the cult comedy hit for over sixteen seasons and counting. Created in 2005 by stars Rob McElhenney, Glenn Howerton, and Charlie Day, unemployed actors with a pair of *Law Order* guest appearances as the highlights of their collective resume, the frustrated trio drafted a homemade TV pilot. A few months and 200 later, the cost of videotapes, pizza for their friends who volunteered as extras, and a broomstick to tape their boom mic to *It's Always Sunny in Philadelphia* was ready for its network debut. All major parties either passed or were interested but wanted creative control. And then came FX, looking to shake up cable TV. Willing to allow McElhenney, Howerton, and Day complete freedom to deconstruct the traditional sitcom, new president John Landgraf agreed to take a chance. No one had any idea how big of a success it would be. With FX's one creative note, the hiring of Danny DeVito adding the final piece of the puzzle, *It's Always*

Sunny in Philadelphia has enjoyed a steady climb to high ratings critical acclaim and a place in the cultural zeitgeist Now how the show and its creators have accomplished this is revealed with this in depth behind the scenes celebration As thoughtful provocative and engaging as the show itself this book also explores how the show has pushed the envelope and used absurdist comedy to explore major societal issues including the MeToo movement LGBTQ rights racism and more It also asks what does the future hold for The Gang It certainly won't include the characters personal growth but the show itself continues to move forward adding to its dynamic history with each season

Current,1984 *The Dark Side of News Fixing* Syed Irfan Ashraf,2021-11-02 This book provides a local journalist's perspective on a four decade long regional contribution to global news production It shows how the fixers risky news pursuits made possible for global media to access distant regions and dangerous caves on Pakistan and Afghanistan borders causing unprecedented deaths of the local reporters in the context of the U S led war on terror The book analyzes the fixer as a role in its relationship with militarization It is not a coincidence that fixers become valuable to commercial media only during the height of violence or crises Emerging under conditions of scarcity or war the value of this role in turn is intrinsically tied to the fear of extinction It is this vulnerability or perceived expendability imposed by the need to find work that binds fixers in a symbiotic relationship with global market and global war This book then serves as a vantage point from which one can clearly see the connection between the regional wars and commercial media as well as local journalists transformation into daily wage earners in a global media shift toward neoliberalism

The New Eagles Encyclopedia Ray Didinger,Robert Lyons,2014-09-30 While much has changed in the decade since the original publication of The Eagles Encyclopedia the passion of Eagles fans has only grown stronger That's why author Ray Didinger revised updated and expanded his history of the team with The New Eagles Encyclopedia Didinger presents a year by year history of the franchise from its inception in 1933 through the 2013 season There are profiles of more than 100 players past and present as well as every head coach and owner along with dozens of new photographs and stats stats and more stats The New Eagles Encyclopedia includes More player profiles including new entries on Nick Foles LeSean McCoy and Michael Vick The end of the Andy Reid era and the arrival of Chip Kelly Expanded chapters on Eagles in the Hall of Fame and other milestone moments Summaries of every post season game A new chapter on the Eagles Cowboys rivalry An essential addition to every fan's bookshelf The New Eagles Encyclopedia is the definitive information source on the Philadelphia Eagles This book is not
