Mother Daze Tales From The Imperfect Playground:

Mother Daze Charles N. Dennett, Christine Carr, 2009-11 Have mothers gone mad They magically do it all yet never quite think they've accomplished enough Full of hard hitting anecdotes and advice Straight Outta Darkness: A Story for God's Glory Faith Love, 2023-11-28 Straight Outta Darkness is a story for God's glory One of the key principles of a successful addiction recovery is to bear witness of your own to give hope encouragement and strategies to those in the trenches and battlefields of it This book tells the story of Faith Love's fall into the clutches of crack cocaine addiction and the miracle of her release from it Being the product of a broken dysfunctional family and often times debilitating poverty Faith sought love and acceptance on the streets of a tough Chicago neighborhood filled with an underbelly of crime and drug infestation It was here that over the course of her young adulthood she became a violent gang member had two babies and got strung out on crack cocaine She lost her home her children to DCFS and her dignity This book is her redemption story and it began when she became accountable to Jesus His unexpected voice brought her to her knees and His love led her on the path to victory where she remains today 18 years and counting to tell this story for God's glory *The Penny Story-teller*, 1833 Sunday stories, ed. by H. Aspden Hartley Aspden, 1898 Short stories [formerly Magazine of short stories], 1897

Parenting/Internet/Kids: Domesticating Technologies Fiona Joy Green, Jaqueline McLeod Rogers, 2022-07-07 Parenting Internet Kids with three key terms slashed together conveys the idea that the practice of parenting may extend both to the Internet and to our children to the extent that both require attention care and forms of regulation and in turn provide support and enjoyment While the triadic title is somewhat playful it also strikes a serious note and introduces layered possibilities we are not simply raising children who have grown up in the internet age but also Domesticating Technologies by managing the computer relatively young in age too having established itself in homes in the 1980s Including perspectives from scholars and parents living in Australia Canada India Japan the UK and the USA the collection examines how the intimate presence of computer technology in our homes and on our bodies affects not only mothers and parenting but family life more broadly
