A Guide to Clinical Assessment and Professional Report Writing in Speech-Language Pathology Renee Fabus, 2024-06-01
Learning to assess speech and language disorders and write diagnostic reports may be an overwhelming experience especially when most texts don't cover both topics at once. With that in mind, A Guide to Clinical Assessment and Professional Report Writing in Speech Language Pathology Second Edition combines the latest assessment protocols and diagnostic techniques with vital diagnostic report writing tools into a single definitive guide. Cyndi Stein, Rubin, Renee Fabus, and their contributors recognize that clinical assessment is inextricably linked to report writing and have updated this Second Edition to synthesize the two. Following the introductory chapters which discuss the basics of assessment and report writing, each subsequent chapter focuses on a particular disorder, provides in-depth assessment tools, and presents a corresponding sample report. Key Features: An inventory and explanation of formal and informal assessment measures; A glossary of key vocabulary; Sample case histories with assessment tools; Relevant and useful interview questions; Each disorder's background and characteristics; Assessment parameters; A differential diagnosis section; A model report. The accessible format of A Guide to Clinical Assessment and Professional Report Writing in Speech Language Pathology Second Edition will help students learn how to assess and document speech and language disorders and will also make for a perfect reference for them as clinicians for years to come.

Report Writing for Speech-language Pathologists Grace Middleton, 1992

Clinical Management of Sensorimotor Speech Disorders Malcolm Ray McNeil, 2009. This is an up-to-date reference for the underlying theory and the basic principles of assessment and treatment. New in this edition is a comprehensive section with in-depth coverage of the diseases, syndromes, and pathologic conditions which are accompanied by sensorimotor speech disorders. It also features a new chapter on neurogenic fluency disorders.

Promoting Academic Success with English Language Learners Craig A. Albers, Rebecca S. Martinez, 2015-07-28. Educators and school psychologists throughout the country are working with growing numbers of English language learners (ELLs) but often feel unprepared to help these students excel. This highly informative book presents evidence-based strategies for promoting proficiency in academic English and improving outcomes in a response to intervention (RTI) framework. Illustrated with a detailed case example, the book describes best practices for working with K-5 ELLs in all stages of RTI: universal screening, progress monitoring, data collection, decision making, and intensifying instruction. In a large size format with lay-flat binding for easy photocopying, the book includes more than two dozen reproducible worksheets. Purchasers get access to a Web page where they can download and print the reproducible materials. This book is in *The Guilford Practical Intervention in the Schools Series* edited by T. Chris Riley-Tillman.
