My Life in Nevada Politics Richard H. Bryan, John L. Smith, 2024-10-22 My Life in Nevada Politics tells the entertaining informative and at times poignant story of the rise of Richard Bryan from humble beginnings in Las Vegas to the pinnacle of Nevada politics during a time of great change across the state and nation. Through his memoir Bryan provides keen insight into the mechanics of politics and the book serves as a must read for anyone interested in the history of the Silver State. Born in Washington D C in 1937 Bryan grew up in Las Vegas. His interest in politics started early winning school class elections and expressing a personal goal of one day becoming Governor of Nevada. He was elected student body president at the University of Nevada. His career in public service began as a deputy district attorney in Clark County. In 1966 he became the first county public defender in state history. Bryan served in the Nevada Legislature in both the Assembly and Senate before winning the statewide office of Attorney General in 1978. He was elected Nevada Governor in 1982 winning re-election in 1986. Bryan was elected to the U S Senate in 1988 reelected in 1994 and served on the committees on Commerce Banking Taxation and Intelligence and chaired the Ethics Committee. He retired from the Senate in 2001 and returned to Nevada. Bryan's list of accomplishments is extensive. He was largely responsible for the early call to arms in the fight against the Department of Energy's attempt to create a nuclear waste repository at Yucca Mountain. As governor he reorganized state economic development programs improved environmental protections for Lake Tahoe and other threatened areas and made unprecedented appointments of women. In the Senate Bryan authored the Southern Nevada Public Lands Management Act and the National Conservation Area for the High Rock Desert country. He had a front row seat to the historic buildup to the Iraq War and the impeachment of President Bill Clinton. In retirement Bryan continues to serve the state through his participation on a wide range of committees. Throughout his political career Bryan with wife Bonnie at his side traversed Nevada from its tiniest hamlets to the metro areas of Reno and Las Vegas with unrivaled zeal in his efforts to represent the state's citizens. He is famous for knowing thousands of his constituents not only by their first names but also recalling details of their lives. The simple fact is while in service to Nevada Bryan was in his element in the place he loves best.

New Age

, 1982-08 **New York Versus New York, 1962** Bill Morales, 2012-09-12 Between October 1961 and October 1962 the Yankees and the Mets shared the city for the first time their front offices located on opposite sides of Fifth Avenue in midtown Manhattan and their playing fields Yankee Stadium and the Polo Grounds situated on opposite sides of the Macombs Dam Bridge. This book tells the story of the first year of their life together as New York City rivals. The emerging rivalry between the New York Yankees and the New York Mets was about more than just games won or money earned. As personified by Mets manager Casey Stengel and Yankees right fielder Roger Maris it was also a struggle over the future of the game. **Cincinnati Magazine**, 2005-11 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region. **Printers' Ink Monthly**, 1936
