*Most Dangerous* Steve Sheinkin,2018 The story of Daniel

Ellsberg and his decision to steal and publish secret documents about America's involvement in the Vietnam War *What Caused the Vietnam War?* Sarah Levete,2016-07-15 The Vietnam War remains one of the most controversial and galvanizing conflicts in modern history To better comprehend why so many nations became involved in the war this wide ranging volume delves into the many causes of the conflict from French colonialism to the spread of Communism to the final sparks that ignited combat Readers will also learn about key moments within the conflict and the lasting effects of the war's conclusion Vivid photographs throughout the book give readers a sense of Vietnam's geography a key role player in the eventual outcome **Caesar Ate My Jesus** Meg Gorzycki,2017-06-09 What the hell happened on the way to making the world a better place We boomers were told our success would be unlimited We had democracy and capitalism and God was on our side We took our religious teachings seriously and set out to end bigotry violence and destitution Inevitably we collided with

American Caesars whose power and wealth was sufficient to dominate national and international affairs Political and religious Caesars appropriated Jesus and used him to justify war sexism racism dictatorships and poverty What were the faithful to do Lots of boomers I know tossed the spiritual baby out with the religious institution s bathwater and became cynical about civic engagement It is not time to abandon hope in our goodness however and it is not time to surrender our conscience to Caesar Our experiences as boomers teach us that it is possible to bring the love of God to bear in our lives despite Caesar s constant pressure to cherish power wealth celebrity and things more than we cherish people This book is for folks who are ready to get off Caesar s treadmill and dig deeply into their hearts and minds to see what remains of the

**Kingdom of God within    Washington Babylon** Mark Hyman,2019-10-22 Since America s founding the nation s capital has experienced more than its share of scandals thankfully Washington Babylon explores some of the dirtiest secrets that have occurred throughout US history Some are from the earliest days of America s founding and include the most famous people in history like George Washington Others are still fresh in our minds as the dust has not even settled In between US history is littered with scandals from nearly all walks of life that were the most talked about stories at the time Many past scandals remain infamous such as Watergate Chappaquiddick and Abscam Other scandals that were once the biggest stories of the day have faded into obscurity Washington Babylon reveals new details in some scandals that were not known when the story first broke offering a whole new perspective for discussion This is the most comprehensive collection of American scandals that will educate entertain shock and perhaps even titillate the reader

**Crimes against the State** James A. Beckman,Eric Merriam,2024-08-08 This work provides an authoritative survey of America s long and turbulent history of rebellion sedition and treason against government authority and institutions Crimes against the State is an even handed and illuminating one stop resource for understanding acts of rebellion and sedition against government authorities and institutions throughout US history as well as the motivations driving those actions Special care is taken to differentiate between hostile acts and actors that seek to overthrow or otherwise damage the state and or targeted demographic groups through violence and acts and actors that seek to defy reform or improve laws and institutions of the state through nonviolent action Within these pages readers will 1 learn how to differentiate between sedition insurrection treason domestic terrorism espionage and other acts meant to injure or overthrow the government 2 gain a deeper understanding of laws policies and events that have aroused violent or nonviolent opposition 3 gain insights into perspectives and motivations of individuals and organizations and 4 learn about state responses to these challenges and threats from martial law to criminal prosecutions to new laws and reforms

**Failure of Intelligence** Melvin A. Goodman,2008-01-28 Failure of Intelligence is designed to inform the debate over intelligence policy and suggest a reform agenda The provocative mingling of historical description with contemporary political analysis and reform prescription challenges the conventional wisdom on clandestine collection and ultimately and persuasively asserts that the failure to have diplomatic relations has led to the inability to collect intelligence
