Langer,1992 **Understanding Contemporary Gangs in America** Rebecca D. Petersen,2004 This unique book provides readers with a comprehensive and contemporary perspective on gangs in America Its current articles written by national experts in the field contain a variety of diverse viewpoints and contribute to a well rounded understanding of gangs and their broad societal implications KEY TOPICS A seven part organization covers 1 understanding and defining gangs 2 gender issues 3 race and ethnicity 4 gangs in prisons and schools 5 violence and drugs 6 gang victimization and 7 gang prevention and intervention For law enforcement police court personnel prosecutors public defenders attorneys lawyers judges prison correction staff social workers educators and government workers *Documentation Sur la Recherche Féministe* ,1989 Library Media Connection ,2001 **The Middle East & South Asia Folklore Bulletin** ,1999 Bodies of Life Etta Madden,1998-04-30 The Shakers spiritual literacies defined through an examination of their reading and writing practices blur boundaries between traditionally masculine and feminine realms by using reason and emotion and by being innovative as well as traditional This exploration of the relationship between literary practices and religious life in the 19th century of such genres as autobiographies elegies histories and doctrinal works provides new insights into the many ways in which literacy enriches people s lives This volume will appeal not only to the growing body of Shaker scholars but also to researchers interested in American literature and culture literacy religious history and gender studies Personality Assessment Lauren B. Palcroft,Melissa V. Lopez,2009 Personality assessment is the determination and evaluation of personality attributes by interviews observations tests or scales What then are the common properties of assessment

regardless of which area is examined It is proposed that there are three common denominators a Decisions b Procedures and c Data acquisition In general assessment may be defined as a procedure whereby data is collected for decision making purposes Specifically then psychological assessment is a procedure whereby data is collected for making decisions about people Such a definition although short and simple has a major advantage in emphasising the role of decision making in assessment This book presents the latest research developments in the field *The Mother Mirror* Laurie Corbin,2001 In *The Mother Mirror* Laurie Corbin studies the mother daughter relationships portrayed in autobiographical works by Colette Simone de Beauvoir and Marguerite Duras Psychoanalytic theory in particular the work of Luce Irigaray and Julia Kristeva is used to show how women s self representations can be determined by the ways in which they see their mothers Corbin s feminist theoretical framework illuminates both the psychological and the social contexts of these autobiographical works showing that even the most intimate relationships are shaped by social structures and that social reality is dependent on the workings of the psyche *School Library Journal* ,2005
