Mediation Klaus J. Hopt, Felix Steffek, 2013 Mediation has become a vital means of resolving disputes in jurisdictions around the world. This book offers a comprehensive comparative analysis of mediation, introducing the law and practical experience in 22 jurisdictions.

Comparative Dispute Resolution Maria F. Moscati, Michael Palmer, Marian Roberts, 2020-12-25 Comparative Dispute Resolution offers an original, wide-ranging and invaluable corpus of chapters on dispute resolution. Enriched by a broad comparative vision and a focus on the processes used to handle disputes, this study adds significantly to the discourse around comparative legal studies. Chapters present new understandings of theoretical, comparative and transnational dimensions of the manner in which societies and their legal systems respond to difficulties in social relations.

The Singapore Convention on Mediation Nadja Alexander, Shouyu Chong, Vakhtang Giorgadze, 2022-08-11 The Singapore Convention on Mediation is just beginning its life as an international legal instrument. How is it likely to fare? In the second edition of this comprehensive article by article commentary, the authors provide a robust report on the features of the Convention and their implications, with an analysis of potential controversies and authoritative clarifications of particular provisions. The book's meticulous examination considers these issues and topics, international mediated settlement agreements as a new type of legal instrument in international law, types of settlement agreements that fall within the scope of the Convention, how the Convention's enforcement mechanism works, the meaning of international and the absence of a seat of mediation, the Convention's approach to recognition and enforcement of international mediated settlement agreements, the grounds for refusal to grant relief under the Convention, mediator misconduct as a ground for refusal to grant relief, the role of confidentiality in granting relief for international mediated settlement agreements, the impact of the Convention on private international law, the relationship of the Singapore Convention to other international instruments such as the UN Model Law on International Commercial Mediation and the New York Convention on Arbitration, possibilities for Contracting States to declare reservations, court decisions from around the globe on the recognition and enforceability of international mediated settlement agreements, and domestic mediation legislation including domestic laws that implement the Singapore Convention. This book takes a giant step towards relieving the inherent uncertainty associated with how this newly constituted instrument may operate and how States may become Convention ready. It is an essential reference for international lawyers, mediators and government officials as the Convention proves itself in the coming years.

Comparative and Transnational Dispute Resolution Shahla Ali, 2023-02-10 This edited volume presents research and policy insights into the theory and practice of dispute systems reform in diverse jurisdictions. It highlights how important

extra judicial mechanisms are for resolving cross border disputes as evidenced both by the breadth of scholarship dedicated to the issue and the proliferation of parties resorting to non litigious dispute resolution mechanisms in recent years Drawing on selected case studies the book examines the impact of comparative research and policy analysis in advancing reform of dispute resolution institutions at both the regional and global levels It explores the challenges and opportunities of understanding and assessing developments in systems of dispute resolution in diverse social and political contexts through comparative research With a growing number of disputes which have come to involve cross border issues anyone interested in transnational and comparative dispute resolution will find this book a useful reference
