*The Open Vision* Horatio Willis Dresser, **The Open Vision** Horatio W. Dresser, 2015-06-04 Excerpt from *The Open Vision A Study of Psychic Phenomena* Interest in psychical phenomena has travelled very far since the days of the first crude manifestations which led to modern spiritism The era of mere manifestations gave place to that of books purporting to tell us about the spirit world and the wisdom of life on the other plane and that in turn led to the day of psychical research with its long and patient investigations The great war brought us to another period There was not only greater desire than ever to gain new light if possible on the nature of death and the life beyond but from the soldiers themselves on the battlefield there came evidences of psychical visions and guidances To meet the new interest books of many types have been issued so that psychical experience has become one of the great subjects of the day in the world of books So many messages and teachings have apparently come over the great border that none of us has time to read them all What next If we assume that the whole subject has passed out of its preliminary stage and that we have assured results at last what use can we make of these results About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Open Vision** Horatio W. Dresser, 2014-01-14 *The Open Vision* by Dr Horatio W Dresser is a book about relations with the dead It is also a book about the life of God in the human spirit Its art lies in the combination of these elements The occupancy of the human soul by the divine spirit is the highest conception of the highest religions a conception that may almost be said to attain the grandeur of the superhuman without falling into the cheapness of the miraculous Spiritism rests on a far lower plane Communication with the dead merely as the dead is neither high nor low it is neutral with the same neutrality that attaches to communication with the living But historically the instrumentalities human and mechanical which have furthered the alleged communication have been sordid Dr Dresser's object is to clear spiritism of its dross and to raise it to a level where it can act on equal terms and in close conjunction with the life in God Accordingly he throws away the mediums and what we may call for brevity the media He has no interest in tables no faith in experiments In his scheme for exchanges between the two worlds spirit is to act upon spirit without the intervention of a medium and mind is to influence mind without the intervention of the senses *The Open Vision a Study of Psychic Phenomena* Horatio W Dresser, 2023-07-18 This intriguing book explores the world of psychic phenomena including telepathy clairvoyance and spiritualism Written by a leading expert in the field this book offers a balanced and insightful analysis of a topic that continues to fascinate and perplex people to this day This work has been selected by scholars as being culturally

important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Open Vision** Horatio W. (Horatio Willis) Dresser, Harry Houdini Collection (Library of Con, 2013-10 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book **The Open Vision** Horatio W. Dresser, 2015-12-06 The Contents The New Awakening Psychical Experience Psychical Research Methods of Communication The Awakening of Psychical Power Spiritual Speech Recent Literature The Seven Purposes Principles of Interpretation The Human Spirit Difficulties and Objections Personal Experiences Direct Impressions Inner Perception How to Know Guidance A Doctrinal Objection To a Mother The Future Life I The Future Life II The Book of Life The Inward Light Positive Values The author well known through his many discriminating studies of the inner life is not a devotee of any form of spiritism or psychical research but has investigated psychical phenomena in the spirit of a truth seeker free to follow wherever truth may lead Hence this book will appeal especially to readers of recent books purporting to contain communications from the other world to those who are ready to take the next step beyond mere research also to those who are unable as yet to interpret their own experiences The author studies psychical experiences from a broadly philosophical point of view and freely draws upon his own experiences by way of confirmation of his main position which in brief turns upon acceptance of the inward light as the clue to spiritual guidance This point of view is also confirmed by an impartial study of the Bible here regarded as the Rook of Life that is the guide to The Open Vision The book will interest all who are endeavoring to interpret the great war in the light of its human values The author bases his conclusions in part on experiences in the war zone during the last year of the war

## **Open Vision Study Psychic Phenomena Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Open Vision Study Psychic Phenomena has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Open Vision Study Psychic Phenomena has opened up a world of possibilities. Downloading Open Vision Study Psychic Phenomena provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Open Vision Study Psychic Phenomena has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Open Vision Study Psychic Phenomena. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Open Vision Study Psychic Phenomena. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Open Vision Study Psychic Phenomena, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Open Vision Study Psychic Phenomena has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of

free PDF resources available and embark on a journey of continuous learning and intellectual growth.
