## **Operational Profitability Systematic Approaches For Continuous Improvement:**

*Operational Profitability* Robert M. Torok, Patrick J. Cordon, 2002-10-01 Add value to services and increase revenue while giving your clients more of what they need. *Operational Profitability Second Edition* explains in complete detail how to conduct a management audit that will give clients the essential information they need in today's fiercely competitive marketplace. At the same time it enables CPA firms and CEOs to expand their range of services, strengthen business relationships and increase profits. This newly updated and revised Second Edition walks you through all the steps of a management audit and explains The basic techniques of the management audit what it involves how to set it up and how to establish a clear set of organizational goals. How to rethink and rebuild an organization from the bottom up. How to use a full range of analytical tools for identifying problem areas throughout the company. How to assess the way a firm manages inventory purchasing production planning and operations. How to evaluate and reduce operating costs. Praise for the First Edition of *Operational Profitability* A great operating manual for general managers and vice presidents. A complete how to program. William Hoban CEO Green Bay Drop Forge Green Bay Wisconsin The most complete profitability program I've seen. The examples and checklists are excellent. It has saved my clients millions. Chuck Wadowski CEO TMQ Consultants Detroit Michigan An outstanding reference source for the modern manager very impressive. Arnold Bradbury CEO Interstate Steel Company Philadelphia Pennsylvania. *Operational Profitability* provides valuable data on operational efficiency and additional service opportunity beyond the usual audit. It provides the basis of helpful recommendations and provides much useful reading guidance for the performance of a management audit. Alexander A H Bohtling CPA CPA Journal
