It's been nearly six years since Oracle updated its cornerstone database software making the demand for a comprehensive study guide for the OCA 12c certification a top priority. This resource answers that demand. Packed with invaluable insight chapter review questions, bonus practice exams, hundreds of electronic flashcards, and a searchable glossary of terms, this study guide prepares you for the challenging Oracle certification exams. Provides you with a solid understanding of restricting and sorting data. Walks you through using conversion functions and conditional expressions. Addresses displaying data from multiple tables, manipulating data, database maintenance, and database backups and recovery. Explores the Oracle database architecture and discusses preparing the database environment, creating an Oracle database and managing the Oracle instance. Focuses on administering and implementing user security. This must have study guide thoroughly prepares you to take the dramatically updated Oracle 12c OCA exams.

Study Guide For 1Z0-006 Matthew Morris,2015-12-07 This Study Guide is targeted at candidates who are students at secondary schools, 2 year colleges and 4 year colleges and universities who wish to become an Oracle Database Foundations Certified Junior Associate. The book provides information covering all of the exam topics for the Oracle certification exam 1Z0 006 Oracle Database Foundations. At this time the 1Z0 006 exam is available only to Oracle Academy students. The books in the Oracle Certification Prep series are built in lockstep with the test topics provided by Oracle Education's certification program. Each book is intended to provide the information that will be tested in a clean and concise format. The guides introduce the subject you'll be tested on, follow that with the information you'll need to know for it, and then move on to the next topic. They contain no drills or unrealistic self tests to bump the page count without adding value. The series is intended to provide a concentrated source of exam information that is compact enough to be read through multiple times. This series is ideal for experienced Oracle professionals that are familiar with the topic being tested but want a means to rapidly reinforce their existing skills and bridge any gaps in their knowledge. It is also an excellent option as a second source of information for candidates pursuing certification.

OCP: Oracle Database 12c Administrator Certified Professional Study Guide Robert G. Freeman, Charles A. Pack, 2014-08-08 An updated guide for an updated certification exam. As the most popular database software in the world, Oracle Database 12c has been updated for the first time in nearly six years and the changes are significant. This study guide reviews how Oracle 12c allows multiple instances to be used simultaneously via the cloud. You'll sharpen your skills to prepare for the three levels of certification: Oracle Certified Associate, Oracle Certified Professional, and Oracle Certified Master. Workbook, exercise appendix, test engine, chapter review questions, electronic flashcards, searchable PDF, glossary, and two bonus practice exams all help to enhance your preparation to take the Oracle 12c exam. Addresses such topics as database architecture, configuring and recoverability, configuring backup specifications, and performing user-managed backup and recovery. Reviews how to use RMAN to create backups, perform recovery, and duplicate a database. Looks at performing tablespace point-in-time recovery and using flashback technology. Covers diagnosing the database, managing memory, managing resources, and automating tasks. Focusing 100 percent on the exam objectives, **OCP Oracle Database 12c Administrator Certified Professional Study Guide** is designed for those who feel they are ready to attempt this challenging exam.
