**Streetlights and Shadows** Gary A. Klein, 2009 An expert explains how the conventional wisdom about decision making can get us into trouble and why experience can't be replaced by rules procedures or analytical methods

**Information Wissenschaft & Praxis**, 2008 **The Impact of Organisational Culture On Knowledge Management** Marina Du Plessis, 2006-10-14 Aimed at knowledge management professionals and students in the field of knowledge management and information science this book highlights issues in organisational cultures that can impact the implementation of knowledge management It also provides a model to identify and manage areas in the organisation that impact knowledge management

**Structures for Organizing Knowledge** June Abbas, 2010-08-31 Taking a broad yet specialized approach that is a first in the field this book examines three threads

traditional structures for organizing knowledge personal structures for organizing knowledge and socially constructed structures for organizing knowledge      Organising Knowledge J. Gadner,R. Buber,L. Richards,2003-11-13 The organization processing and representation of knowledge becomes increasingly important in all scientific and business contexts This book focuses on qualitative methods for knowledge organization and their contributions to knowledge based issues of marketing management research Besides theoretical discussions of different approaches to and definitions of knowledge and methods for knowledge organization several case studies in the field of marketing management are presented Questions of research design adequate choice of methodologies and practical relevance of the results are addressed      *Principles of Knowledge Auditing* Patrick Lambe,2023-05-02 A comprehensive theoretical and practical guide to the operating principles of knowledge auditing illustrated with numerous case studies A knowledge audit provides an at a glance view of an organization s needs and opportunities Its purpose is to improve an organization s effectiveness through a better understanding of the dynamics and levers of knowledge production access and use However this developing field is hampered by the lack of a common language about the origins and nature of knowledge auditing In *Principles of Knowledge Auditing* Patrick Lambe integrates the theory and practices of the field laying out principles and guidelines for a clearer and more pragmatic approach to knowledge auditing that makes it more accessible to practitioners and researchers Lambe examines knowledge auditing in the context of the development of communications information and knowledge management in the twentieth century He critiques and clarifies ambiguities in how knowledge audits are approached and described as well as how the results are conveyed within organizations He discusses the benefits and risks of knowledge management standards Knowledge auditors he says need a common frame of reference more than they need standards Standards have their uses but they provide only markers and sign posts and are poor representations of the richness of the landscape He concludes with a set of guiding principles for practitioners      **Organizing Knowledge** J. E. Rowley,Richard Hartley,2016      *Knowledge Solutions* Olivier Serrat,2017-05-22 This book is open access under a CC BY NC 3 0 IGO license This book comprehensively covers topics in knowledge management and competence in strategy development management techniques collaboration mechanisms knowledge sharing and learning as well as knowledge capture and storage Presented in accessible chunks it includes more than 120 topics that are essential to high performance organizations The extensive use of quotes by respected experts juxtaposed with relevant research to counterpoint or lend weight to key concepts cheat sheets that simplify access and reference to individual articles as well as the grouping of many of these topics under recurrent themes make this book unique In addition it provides scalable tried and tested tools method and approaches for improved organizational effectiveness The research included is particularly useful to knowledge workers engaged in executive leadership research analysis and advice and corporate management and administration It is a valuable resource for those working in the public private and third sectors both in industrialized and developing countries      *The Routledge Companion to Knowledge*

*Management* Jin Chen, Ikujiro Nonaka, 2022-05-22 Knowledge when properly leveraged and harnessed contributes to effective organizational performance How much an organization benefits from knowledge would depend on how well knowledge has been managed There have been challenges to implementing knowledge management in today's dramatically different world from before This comprehensive reference work is a timely guide to understanding knowledge management The book covers key themes of knowledge management which includes the basic framework of knowledge management and helps readers to understand the state of art of knowledge management both from the aspects of theory and practice from the perspectives of strategy organization resources as well as institution and organizational culture This reference work reflects the increasingly important role of both philosophy and digital technologies in knowledge management research and practice This handbook will be an essential resource for knowledge management scholars researchers and graduate students
